President's Message

The OHIO CHURCH RECORD SURVEY, the next project of The Ohio Genealogical Society, was kicked off last year at both the convention and the Chapter Management Seminar, by Michael B. Clegg who is coordinating this project. Many chapters are already working on this project and for those who have not yet started, I would like to encourage you to start as soon as possible.

Church records are probably the earliest "vital records" and, as such, are vitally important to genealogists. Many times, it is difficult to locate the church or the records of that church where your ancestor lived. Another purpose of this survey is to bring to the attention of the ecclesiastical record keepers the need for preservation of their church's records, either through improved storage or through microphotography. It is NOT the purpose of this survey to remove any records from their rightful custodian.

For churches that no longer exist and whose records are no longer to be found in the county under consideration, a note to that effect should be sent to the Church Records Survey Coordinator, Michael B. Clegg.

The end product will be a computerized data base of all questions asked on the survey, available for use by OGS members and others to assist them in their research. The participating chapters will receive a camera-ready copy of the list of churches and records for their county so that they can publish a church record inventory for their own county if they so wish.

Your District Trustee may have sent you copies of the instructions and the Survey Form or you may write directly to OGS Headquarters. Let's start the New Year off with an all-out effort to get this project completed.

Jeanne Pramaggiore, President
Ohio Genealogical Society

Editor's Message

If you have been remiss and not sent your renewal instructions for 1991, this will be the last issue that you will receive. If you wish to renew, we will need to receive your instructions by Lincoln's Birthday, February 12, to be able to print your mailing label for the February issue. Won't you continue your genealogical journey with us?

In mid-December, a fire destroyed hundreds of historical items stored on the second floor of the Seneca East Public Library in Attica, Seneca County, Ohio. We were very sorry to hear of this. We will try to update you on any changes made there.

The Board for Certification of Genealogists has a new address: P.O. Box 5816, Falmouth, VA 22403-5816.

Dear Abby's column on page 2C in the October 4, 1990, issue of The Mansfield News Journal featured some interesting information from "Longtime Volunteer Leader." A 10-year study at the University of Michigan found that regular volunteer work, more than any other activity, dramatically increased life expectancy, especially for men. Research at other universities support these findings. Abby responded that those who spend their time doing for others feel useful, productive, and good about themselves and that those who give - get. Thank you, chapter officers, trustees, newsletter editors, and all of you genealogists who respond to queries. We all appreciate those of you who tramp through cemeteries to read tombstones for us, transcribe records of genealogical interest, and those who volunteer to man libraries. Thank you so very much for your assistance.

Best wishes for 1991 and for a long productive life.

Sunda Peters, Editor

Chapter Announcements

GALLIA COUNTY welcomed Jeanne Pramaggiore at their First Annual F.F. Banquet attended by 250 people on October 11, 1990. Three-hundred, sixty pioneers were approved before 1820 by 254 members. Speakers were Phyllis Johnson and Andrew Truslow. Gallia also has for sale Gallipolis, Ohio, A Pictorial History, 1790-1990, with over 500 photos. $24.95 + 6% tax and $2.50 p&h.

LAKE COUNTY announces books available for sale will be handled by Berta Mae Blackmur, 2211 Eglindale Ave., Cleveland, OH 44109, 216-351-9139. A manuscript given to Lake County, some years ago, has been made into a book containing 130 pages. Records, memories, and names of those who came from the Isle of Man were compiled by members of the Northern Ohio Manx Society. The index has 1550 names. It was prepared for publication this year by Virginia Reed, edited by Lydia McNaughton and Ruth Rhinehart.

NOBLE COUNTY announces that August 31, 1991, is the deadline for First Families of Noble County applications. Applications are available from the chapter.

February 15, 1991, is the deadline for entries for the 175th Anniversary JACKSON COUNTY (Ohio) History Book. This book will be available only on a pre-sale basis for $47.50 plus $5.00 p&h, so you will need to place your order to be assured of getting a copy.

MONROE COUNTY CHAPTER also is planning a genealogical history to be published soon. Write now for details on adding your family's history to either book.

See chapter addresses on page 16.

Bible Records Collection

As of January 1, 1991, the Bible Records Collection contains 2052 Bible Records. I am in the last stages of indexing the 250 Bible Records that have been received during the past year and, when finished, there will be about 16,000 surname index cards listing approximately 68,000 names. When sending copies of Bible Records, please include a typed/printed translation of the names and dates. Also, please include the county and state where the family lived, if known. This will be a big help to those researching a common surname.

Laverne R. (Dick) Barnes
Bible Records Chairman

Book Sale

The book sale in September yielded $854.63. This was placed in the Library Fund, which is used to purchase books for the OGS Collection. Thanks go to all those who donated new and used books for this event. Some unsold items were donated to the University Womens Club for their book sale, as they support several local charities. Some went to an area nursing home for reading material. Some genealogical materials were withheld to form a base duplicate collection to trade with other libraries for titles needed by OGS.

Ancestors On Parade

Over the past several years, ANCESTORS ON PARADE has become one of the traditional events held during the annual OGS Convention. At this event, all who attend the contention are encouraged to dress as their favorite ancestor for the evening.

ANCESTORS ON PARADE provides an opportunity for you to introduce your ancestor at the gathering and possibly to win a prize. Those who have participated before are requested to do so again. Each year the judges, as well as those who enter, are different, thus changing the odds. Even if you do not care to enter the parade, the event will certainly be further enhanced by having as many as possible spend the evening representing one of their ancestors.

While the parade and the contest are fun and entertaining, the most important aspect of the event is to have learned enough about one's own heritage to be able to know what that ancestor might have worn at any given point in his or her life and to feel what it was like to actually wear what they would have worn. As we share this bit of heritage with each other, we turn dry statistics, photos, and illustrations into warm human beings and thereby enrich and broaden everyone's concept and understanding of the past.

To participate in the parade and the contest:

1. Use a 3x5 card.
2. Enter your name and address on the first line(s).
3. Enter the name of the ancestor on the next line.
4. Tell us the birth and death date of the ancestor.
5. Tell us at what period of their life and under what circumstances (work, church, party) your ancestor would have worn this outfit.
6. Also, tell us exactly where the ancestor lived when dressed in this fashion. 7.

On the back of the card, tell us why you selected this ancestor and add any special or unusual details you feel are important for us to know.

8. Place your entry in an envelope and mail to:

COMPUTER INTEREST GROUP **MONITOR**

HANDS-ON SCHOOL AT CONVENTION

The five hands-on classes for computer genealogists mentioned in earlier issues of the MONITOR will be held on Thursday, April 25, preceding the Ohio Genealogical Society Convention.

Classes are oriented for those who are already using a PC (or compatible) and using software chosen for each course or similar software. Each registrant will be given exercises to be done on his or her computer before coming to class to help ensure the best use of the limited class time.

See the separate registration form elsewhere in this issue for fees, times, and the deadline of March 1, when openings will be filled from the non-OGS waiting list.

The focus for each of the classes is not on advanced skills, but on learning to use computer tools for finding and exchanging data,* sorting and analyzing data and indexing and writing.

It should be easy to extend the skills learned with software used for these classes to similar software you may already be using.

Each class will be based on several cases drawn from genealogical research and demonstrated with files loaded into the student's PC.

Each class also will provide a brief review of pertinent DOS commands and files.

The classes, instructors and scope are as follows:

1. **WORDPROCESSOR** - WORDPERFECT and similar software.

George Archer: Innovative user of Wordperfect for genealogy and acting chairman of the National Genealogical Society Computer Interest Group.

Merging data into correspondence; formatting descendant charts; and interfacing text to genealogy files.

2. **DATABASE** - PC-FILE / DBASE and similar software.

William Allen: Extensive user of databases.

Merging of record files from different sources; design and alteration of a database; and importing and exporting to other programs and to other computers.

3. **PERSONAL ANCESTRAL FILE**

Forest Squire: Instructor of PAF classes and the use of other LDS resources.

Strategies for loading data, notes, and documentation; preparing for additional research and sharing; and matching and merging data from other sources.

4. ROOTS III

Curt Gamble: Computer engineer and extensive ROOTS user and teacher.

Strategies for loading data, notes and documentation; preparing for additional research and sharing; and matching and merging data from other sources.

5. COMMUNICATIONS - TELIX / PROCOMM and other software.

Jim Dunmyer: Sysop of a major BBS carrying the genealogy echoes.

Uploading and downloading files to BBS or another PC; automatic and selective retrieval of messages and genealogy files; and working with compressed files.

TOO MUCH COMPUTER GENEALOGY?

Although the OGS Newsletter has carried a computer genealogy column for several years, its expanded form as the MONITOR is more recent. All of us wish to be sensitive to the interests and needs of readers and invite you to let us know your opinions about coverage and balance.

Newsletter editor Sunda Peters would like input as to how many pages per issue are appropriate to present information on computer genealogy and what non-computer topics need more extensive coverage. Harry Liggett, news coordinator for the computer interest group, wants to know what topics are most useful and of most interest.

And, of course, contributions are most welcome. Mail your comments to Sunda or Harry on both topics.

The newsletter editor has received complaints that too much space has been given to computer topics, but the MONITOR has received some different opinions: Here are two:

Menlo Park CA: "I hope that you continue to publish CIG news in a dedicated section of the regular Newsletter... By having news about computer-related activities visible to the entire OGS membership...everyone can see how computers are relevant to their pursuits of genealogy."

Madison WI: "I've enjoyed your articles on computer genealogy in The OGS Newsletter and think they have covered the subject pretty well."

Let us hear your opinions.

CLEVELAND DISTRICT ON THE MOVE

An enthusiastic Roots Users Group which has been meeting at the home of Donald and Marjorie Kern in Northfield was responsible for organizing the Cleveland District meeting on computer genealogy Jan. 12 at Beachwood

branch of the Cuyahoga County Public Library. Marjorie is the district computer resource person for Trustee Shelvey Madama.

The Delaware County Chapter also plans to organize a meeting for the Marysville District.

WAYS TO USE YOUR COMPUTER

There are many computer programs to aid genealogical research. The December issue of the MONITOR discussed use of databases.

Probably the software program you will use most, however, is word processing.

Here are a few ideas on using your word processor:

CORRESPONDENCE: The chief use will be for correspondence. It is important to be able to find a particular letter later so it is a good idea to number letters to each individual as part of the file name [Example: JONES.003]. Most programs have directories and search features so you can call up all the letters you have written on a specific surname or letters you have written to a specific individual since a certain date.

INFORMATION SHEETS: When you write query letters, you don't have to repeat the same information every time. You can have an information sheet which states the basic information you are seeking on a particular surname and briefly outlines your problem. The sheet can be printed each time and changed where needed. Macros also can be used for automatic insertion of text, dates, and closing paragraphs.

FAMILY HISTORY & INDEXING: The word processor can be used for writing, documenting and indexing your family genealogy. It also can be used for newsletters and publications. It can be used for keeping documents such as wills and obituaries. Indexing and sorting features can be used for many projects.

RESEARCH JOURNAL: Separate journals can be kept for each surname to list what research was done, where it was done and the date.

(The next issue will discuss the use of graphics and communications software.)

FAMILY HISTORY CENTER NEWS

Ancestral File should be at your local branch library of the Family History Center (LDS) soon. It was to be distributed to 500 family history centers that already have installed the FamilySearch computers.

Genealogies contributed since 1979 are in the family-linked Ancestral File which contains the names of more than 6 million persons. You can search for any information the file may contain and then display, print or copy the information to diskette and find the name of the person who contributed the information.

Ancestry File can be downloaded to diskette of any size or density. Most will allow 9 to 13 generations to be downloaded during each download. The time required for downloading will vary with the surname.

Many already have checked out the IGI program at branch libraries. For those who want to transfer the IGI to their own databases rather than to the Family Records program in PAF, there are two programs to convert them which are available from bulletin boards or from the authors.

To convert the IGI from the Ascii format there is a program named IGI25522, developed by Patrick Deatherage, 755 S. Iowa Ave., League City, TX 77573, phone 713-332-3268. To convert the IGI from Gedcom format the program is GIPSI from Research Services, 779 East 5050 South, Ogden, UT 84403, phone 801-479-3553.

Family History Centers also will be receiving the Social Security Death Index which is a government database listing persons in the U.S. who have died since 1962, provided they had a Social Security number and their death was reported. The data includes first and last name, Social Security number, the state where it was issued, the birth date, death date and zip code of the city where the person last lived. The database can be searched at the family history centers.

COLUMBUS LDS LIBRARY TO MOVE

The November issue of the MONITOR listed an address for a Columbus branch library of LDS that is now closed. Another library at 200 Old Village Road in Lincoln Village, Columbus, was to be moved the first of January to 2400 Red Rock Blvd., Columbus, OH 43123. There also is a branch at 7135 Coffman Road in Dublin, Tel. 614-761-1898. Mansfield has a branch at 1951 Middle Bellville Road, Tel. 419-756-5530.

HAS ANYONE TRIED SCANNING?

We would like to hear from anyone who has had any success in using a scanner to scan text to put it into a computer file. Most scanners (optical character readers) have some difficulty reading the print in old books without a high error rate. If some old reference texts without indexes could be scanned, it would make it easier to compile an index for them.

WHERE TO WRITE OR PHONE

If you have a question, need information or want to help us, please write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254. Tel. 216-724-5808.

SASE appreciated.

COMPUTER WORKSHOP

A hands-on school for computer-genealogists will be held on Thursday, April 25, 1991, at the Convention Center. Due to cost, a separate fee and registration form will be necessary. CONVENTION REGISTRATION DOES NOT INCLUDE THIS WORKSHOP. Each interested person must send in this special Registration form and additional fees. If there are insufficient registrations to cover the cost of rentals/instructors' fees, this workshop will be cancelled and the monies refunded.

Non-users and/or many beginners will not find these classes suitable. Each course will provide a brief review of pertinent DOS commands. The theme for all classes is the combined use of computer tools for finding and exchanging data, sorting and analyzing data, indexing and writing. Specific popular software will be used in each class, but the participant will be able to extend the skills learned to software he/she may already be using. On March 1, 1991, each registrant will be sent preparatory materials, including exercises to be done on his/her PC before coming to the classes, to insure a minimum preparation for the class. Each session will cost $35.00. Registration Deadline: Feb. 28, 1991. Registration before that date will be limited to OGS members; however, after Feb 28, any remaining openings will be allocated to non-OGS computer-genealogists. The Sessions will run consecutively, so you may register for as many as you are prepared for and can afford. To aid scheduling please indicate your preferences from this list: A: 9am-11am; B: 11:30am-1:30pm; C: 2pm-4pm; D: 4:30pm-6:30pm; E: 7pm-9pm.

President's Message

The Board of Trustees met on January 23rd and unanimously voted to support the efforts of the New England Historic Genealogical Society in their efforts to propose legal changes to the National Conference of Commissioners on Uniform State Laws. Their recommendations to the Commissioners will be to require annotations to alert descendants or other researchers to the fact that a birth certificate does not necessarily state accurate biological facts, and to provide that the original certificates and sealed adoption records be placed in the public record after the passage of suitable period of time - 72 years (as the census is) or no more than 100 years.

The nominations are in and the ballots are out. Included in this Newsletter is/are your ballot(s) to elect three trustees. Please read the information carefully and return your ballots to OGS Headquarters by April 6th. Your vote DOES count!

Judy Bishara, Vice President, announced that the Chapter Management Seminar will be held in Springfield, Clark County, on August 3rd. More information will be forthcoming as we approach that time. Mark your calendars now.

The input for the 1880 Census is DONE! All of the reading, putting into a computer, and corrections are finished. It is now ready to be alphabetized (by computer) and then it will be ready for the publisher.

The January Newsletter carried the Convention information. Get your reservations in now.

We received 40 entries in the Newsletter Competition - winners will be announced at the Convention.

Jeanne Pramaggiore, President
Ohio Genealogical Society

OGS Tours

In order to provide OGS members the opportunity to attend the Federation of Genealogical Societies Conference, August 15-17, 1991, in Ft. Wayne, Indiana, tour buses are being scheduled.

1. One bus will leave from the Cincinnati area and proceed North on I-75, then to Ft. Wayne.

2. One bus will leave from Marietta, then proceed North to I-70, through Columbus, then Rt. 33 to Ft. Wayne.

3. One bus will leave from NE Ohio. This bus is being jointly sponsored by the Western Reserve Historical Society and OGS. WRHS will designate a contact person.

Details on cost will be available in a future newsletter. So you may plan your schedule now, buses will leave on Tuesday, August 13th, to allow a full day of research before the conference and will return Sunday.

New Volunteer Program at OHS

Over 13,000 researchers visit the main reading room of the Ohio Historical Society each year. Many are Ohioans but others come here from other states and countries to use our extensive collections of manuscripts, state archives, and books which are housed at the Ohio Historical Center.

Because many of these visitors require extensive orientation and personal assistance, a group of volunteers is being organized to supplement the services being provided by regular staff.

Would you be interested in helping with this effort? It would be a chance to meet people, learn more about Ohio's history, and provide valuable assistance to the society, its members, and visitors to the reading room.

For further information, please call George Parkinson, Archives/Library Division Chief at 614-297-2500 or Margaret Nelson 614-285-1635.

Call for Papers for the 1992 NGS Conference

The National Genealogical Society (NGS) is seeking program proposals for the 1992 national conference being held in Jacksonville, FL, April 29 - May 2, 1991. Proposals can include lectures, workshops, panel discussions, video presentations, and seminars on genealogy and family history.

With the theme, "A New Voyage of Discovery", NGS will be "Celebrating the Quincentenary of Columbus' Discovery of America", hosting The Second International Congress on Family History, and providing new programming through The Video Viewing Room.

Hosted by the Jacksonville Genealogical Society, Inc., this multi-layered conference charts new waters and promises many stimulating voyages of discovery.

Each proposal should include the presenter's vita and an abstract of the presentation and other relevant information. Questions and proposals should be sent to NGS'92 Program Co-Chair, Joan Kirchman Mitchell, Ph.D., 10 Oakwood Ct., Tuscaloosa, AL 35401. The deadline for submitting proposals is March 1st.

Elections Information

There are five candidates for three trustee-at-large positions; the information for each candidate follows, and includes each candidate's response to the following question: What kind of financial goals do you think the society should work toward, and what methods might you suggest for those goals you selected?

Please read the information carefully, mark your ballot enclosed with this newsletter, add $.29 postage, and return the ballot to arrive at OGS Headquarters by April 6, 1991.

MARY L. BOWMAN, 2565 Pleasant Hill Rd., Athens, OH 45701 (Athens Co.). Family Data: born in Millen, GA; married to Marvin Bowman; two children. Occupation: full-time volunteer. Publications: Birth Records of Athens Co.; Biog. Sketches of Athens Co.; Civil War Veterans; many others. OGS and other related activities: Chair, Ohio 1880 Census Index Project; experienced grant writer with interest in teaching OGS chapter grantsmanship and planning skills; experienced genealogical teacher and speaker for OGS and chapters; Coordinator of genealogical courses as part of Ohio Univ. extension services; Editor of Athens Co. Bulletin; member of First Families of Athens Co. Committee; Athens Co. Chapter offices: trustee, past President, Corresponding Secretary; former member, OGS legislative committee. Education: BA (History), MA (International Affairs).

Response to Question: Our most pressing financial goal should be to establish a secure basis for operations. This can be accomplished by establishing priorities, determining appropriate personnel involvement, and expanding funds for projects through grantsmanship. Financial goals should be an integral part of a long-term and ongoing planning process which answers for each operation and project five basic questions. Why do it? How is it done? What's the price? Are funds available, and do costs outweigh benefits? The answers should determine how and on what basis to allot available resources (human, material, financial) and where to seek grants for additional worthwhile projects.

DIANE V. GAGEL, 160 Mallard, Perrysburg, OH 43551 (Wood Co.). Family Data: born Montgomery Co., OH; married, two daughters. Occupation: College instructor; professional researcher. Publications: Ohio Research - Genealogical Helper, Jan./Feb., 1991. OGS and related activities: OGS member since 1975; past regional Vice-President; Past President, Williams and Fulton Counties; Publications Chair, OGS; Convention Chair, 1991; OGS Corresponding Secretary, 1990-; member, NGS-OGS Convention Planning Committee, 1986.

Response to Question: OGS could improve its financial base in four areas. First, OGS should be seeking and applying for grants from foundations and government agencies. Secondly, OGS should increase its Endowment fund which would provide a reliable source of revenue. This could be done through individual donations as well as tapping into Mansfield area business and industrial resources. Such donations would be a tax deduction. A Board Member or appointee could be designated for these endeavors. Third, we should continue publishing material of statewide interest. Fourth, to supplement library/archives funding, a genealogical supply/bookstore could be opened at headquarters to sell OGS publications.

CHARLES H. ONEY, 112 Adams St., Wellington, OH 44090 (Lorain Co.). Family Data: born Wellington, OH; married Mary Vivian Latteman; two daughters. Occupation: retired department supervisor, Oberlin College Support Services. OGS and related activities: memberships: First Families of Ohio, First Families of Ashland Co.; Lorain Co. Chapter OGS, Ashland Co. Chapter, OGS, Crawford Co. Chapter, OGS; President, Wellington Genealogical Workshop; Former Vice-President, now Trustee, Ashland Co. Chapter; Vice-President, Trustee, Spirit of '76 Museum and Wellington Historical Society; 8 years on Wellington Village Council, with 2 years as Council President.

Response to Question: Dear members: I am a firm believer that organizations should work within their means to be financially stable. Some income should be retained for emergencies. The expendable monies should be used to maintain the library building, the collection and other assets to the best of our abilities, to add to the collections relative resource information and aids to benefit genealogists, and to provide a core professional staff to serve the members and public efficiently. An auditor (possibly a member volunteer) should advise the organization on current investment procedures. Non-members might pay a fee to use the library.

Elections Information Continued

* SUNDA ANDERSON PETERS, 1537 Galaxy Court, Mansfield, OH 44903-8850 (Richland Co.). Family Data: married Donald Peters; two children. Occupation: Learning Disabilities Resource Room Teacher. Publications: OGS Newsletter editor. OGS and related activities: Editor of The Ohio Genealogical Society Newsletter for six years; currently trustee-at-large; assisted with 1880 census project computer entry and final proofing from error reports; member, First Families of Ohio, First Families of Muskingum, Gallia, and Wyandot Counties; Fellow of OGS; member of Richland County Computer Interest Group and OGS Computer Interest Group; member of Licking, Muskingum, Gallia, Wyandot, and Hancock County Chapters, OGS.

Response to Question: Like other businesses and families, OGS needs to increase its income and/or cut its costs. OGS has increased funds for maintaining current levels of services by increasing dues to more closely reflect costs of services. Bids are sought for printing of publications. A $3.00 per visit charge is assessed for non-members visiting the library. Trustees are receptive to cost cutting suggestions, such as using recycled paper. OGS might increase genealogical appeal by applying for grants from foundations and businesses to add computers for patron use. Finally, more emphasis should be placed on endowments for OGS long term financial security.

* HAROLD R. SCATTERDAY, 48061 Centerville Rd., Jacobsburg, OH 43933 (Belmont Co.). Family: married to Floy Jean Pettet; three children. Occupation: Operated own business 20 years; manufacturers' representative 15 years. Publications: Business Chair, publishing 3 Belmont Co. History books. OGS and related activities: Trustee-at-Large, 3 years; attended all meetings and served on committees; presently Building and Grounds Chair. Past President, Belmont County Chapter; helped organize 2 county chapters; 30-year researcher. Member, FFO and numerous OGS chapters. Served as Trustee, Elder and Cemetery Supt., Concord Presby. Church.

Response to Question: IMMEDIATE GOALS: 1) Raise funds to complete purchase of headquarters building, Bushnell House. 2) Bring building and library expansion plans to completion. METHODS: 1) Engage professional fund raiser. 2) Increase memberships. 3) Donations. LONG RANGE GOALS: 1) Provide for future financial security. 2) Enhance present services to membership-at-large. 3) Add computerization and other "state of the art" equipment. 4) Add energy efficient heating, cooling and humidity control for personal comfort and document preservation. METHODS: 1) Grants. 2) Donations. 3) Memorials. 4) Endowments. 5) Memberships. 6) Publications. 7) Frugality.

* Incumbent Trustee-at-Large

Colorado Chapter Conference

The Colorado Chapter of OGS has the plans well underway for their April 13th conference. Tacy Arledge, from New Holland, will be traveling to Colorado to be the featured speaker. The Conference will be at the Capri Plaza Best Western Hotel, I-25 and 84th Avenue, in north metro Denver. It will be an all day conference from 9:00 to 4:00. There will be a social get together the Friday night before and possibly a wine and cheese party Saturday evening. The hotel will be giving the out-of-town guests a savings on their room fees. More details on the conference fees and registration forms can be obtained from any of the officers, or by writing the chapter.

Election of officers will also take place at the meeting, and a discussion and voting on the by-laws revision.

SUBMIT YOUR OGS DATA ON DISKS

Many of you may have searched through the extensive 3X5 card name files at the OGS library for Bible records and ancestor charts. You probably have wished these files were on computer. Some members already have asked if they could submit their data in computer form.

COMGEN is now happy to begin working with the chairs of these two activities to accept data on diskette along with the paper copy. Dick Barnes of Mansfield (for Bible records) and John and Clariene Steitler of Shelby (for ancestor charts) helped set the following initial guidelines:

Send the requested paper copy plus diskette to OGS headquarters as usual. The diskette will then be made available for search by visitors at the CLINIC room at the OGS convention. This initial experience will help us revise guidelines for computer submissions and for beginning the computerization of other data now available only in card form. Both cards and computer formats will then continue to be available.

For Bible records, the initial computer guideline is to submit a Xerox copy of the Bible pages plus a printed transcript in a WordPerfect or Ascii file. In addition, you should let WordPerfect make a person/location index sorted by surname. OGS will then print 3x5 surname cards from this index which will list the name of the Bible folder where the full record can be found.

Other popular word processors such as Word, WordStar or Multimate also may be used.

For ancestor charts, the initial computer guideline is to use your genealogy program to produce a printed out form of the ancestor chart and the accompanying 3X5 person (ancestor) cards from data in your records. Some programs produce 3X5 cards which can be read by PC-File or DBase. (See Genealogical Computing, Oct/Nov/Dec 1990 issue p. 79).

If you have questions about computer submissions, contact Woody Trautman, 2625 Middlesex Rd., Toledo, OH 43606 (Tel. 419-535-7436) or Harry Liggett (address below).

REQUEST FOR OHIO DATA FOR CONVENTION

Visitors to the CLINIC room at the OGS convention will be able to view computerized Ohio data. Bob Tripp of Rockbridge already has provided a 34,000-entry database for 19th century Hocking County. This combines vital statistics, wills, census, naturalization and cemetery records for easy searching. Bob (Tel. 614-385-6978) can tell you how to use PC-File for entering data.

If you have data on diskette that you would like to show off at the convention, let us know. No copies will be permitted and the diskettes will be returned to submitter. Please send your diskette to Harry Liggett.

ZANESVILLE DISTRICT ON THE MOVE

Terry Klaiber (614-826-7348), trustee of the Zanesville District, organized a computer group more than a year ago with participants from all counties in her district.

Following the suggestion of Ohio COMGEN to organize at the district level, Zanesville is the first to formalize Standing Rules. At its January 26 meeting, the OGS board recognized this "first" by Zanesville District COMGEN. Cleveland may be next!

A district COMGEN seeks to attract participants from all its counties and to nurture local or specialized computer interest groups, to provide open participation regardless of society affiliation, to address computer genealogy matters of importance to members as individuals and to engage in computer genealogy projects at both the regional and statewide level.

A GENEALOGY HOTLINE

About 30 electronic bulletin boards in the United States operate what is called the Tafel Matching System (TMS). Now Ohio has three such boards.

The TMS takes an abbreviated version of your ancestor chart called a Tiny Tafel and exchanges it with others throughout the U.S. It's a surname exchange on a wide scale. The name Tiny Tafel was given to the listing that you submit because it is a shortened version of your Ahnentafel (ancestor table).

The latest to add the TMS service is Genealogy Hotline, a board operated by Carol Montrose who has been active in COMGEN. Carol's board at New Albany, near Columbus, is a board really dedicated to genealogy and is worth a look-see even if it's a long distance call for you.

A few of the genealogy echoes on Carol's board are GENEALOGY, the National Genealogy Conference; GENEALOGY.EUR, for Europe; AUS-GENEALOGY, for Australia; TRAIL, Oregon Trail; MISSING, missing persons; GENSOFT, for genealogy software; S.E. GENEALOGY, southern states; JEWISHGEN, jewish genealogy; INDIAN AFFAIRS, Indian historical and genealogical; GENDATA, which carries only Tiny Tafels; and SOC.ROOTS, another genealogy echo.

Carol keeps a minimum of 700 messages in the GENEALOGY echo. In addition she has many genealogy "help" files you can download. Dial 614-855-0955 by modem to try out her BBS which

is available 24 hours a day except for the 4-5 a.m. mail time when message traffic is handled. First-time users must register and are then upgraded to get more access.

The two other boards in Ohio which carry the Tafel Matching System (TMS) are Genealogy Ohio of Dayton 513-436-0400 and Colossus, the board operated by the Columbus Computer Society. Colossus is for use by members only. Some Ohioans also have used another TMS board, Colonial Family Research in Lansing, MI, at 517-882-0717.

Two other bulletin boards that are additions to the list published previously in the MONITOR are Appleholic at Hinckley (Cleveland phone number) 216-273-1340 and Black Hole at Lima 419-222-6676.

NEARLY 100 ATTEND BEACHWOOD MEETING

Nearly 100 persons, including several OGS trustees, attended the first computer interest group meeting of the Cleveland District at Beachwood on Jan. 12.

Good preparation was the theme stressed by the speakers. Robert Strock of Dalton, a district trustee, stressed the need to get good information before buying a computer. Strock outlined what you should look for in buying a computer.

Bill Allen, who discussed Roots III, and Pat Lowry, who discussed PAF, said any data you enter into a genealogy program should be entered consistently in the same manner for each entry so that sorting the information later will not become a problem.

Woody Trautman, OGS-CIG chair, stressed the ongoing efforts to provide help to those who are using computers for genealogy.

Harry Liggett answered questions on bulletin boards. About 40 of those attending turned in a questionnaire. Many indicated that they did not know much about modems or use of electronic bulletin boards for genealogical research and would like to know more.

A breakdown of software being used included 23 using PAF, 17 using Roots III, 2 using Brothers Keeper and one each using Every Family, Roots II, Family Roots, Family Edge and Family Tree.

LET'S HEAR IT FOR THE MAC

About 65% of those responding to a COMGEN survey said they used MS-DOS computers, but many of our members use Apples, Commodores and Macintosh.

The MONITOR hopes to provide these important "other users" with as much information as possible.

Probably our top promoter for the Mac is Pat Lowry of Akron.

There are just a few things that the Mac can do that MS-DOS cannot, Pat told those attending the Cleveland District computer interest meeting at Beachwood.

For instance, the PAF version for Mac will permit you to paste graphics (non-text items) into the notes or any other field, allows you to format or design printouts, permits "wildcard" searches and displays lists or charts on the screen so that you see what you are going to get before printing.

In addition to PAF, there are other genealogy programs for MacIntosh users. They include:

Family Roots by Quinsept, Box 216, Lexington, MA.

MacGene by Applied Ideas, P.O.Box 3225, Manhattan Beach, CA 90266

Family Heritage File by Star*Com Microsystems, Windsor Park East, 25 W. 1480 North, Orem, UT 84057

Reunion by Leister Productions, 14 Hill Blvd., Mechanisburg, PA

SCHEDULE FOR DELAWARE COMPUTER USERS

The Computer Users Group of the Delaware County Genealogical Society is providing its members with good software information.

The group was scheduled to meet Feb 21 for a session on Roots III software with Richard Nelson as discussion leader.

Another session is scheduled for March 21 on desktop publishing, Windows and AMI with Paul Clay as discussion leader.

An April 18 session will discuss use of WordPerfect version 5.1.

New Developments in Genealogical Software will be reviewed at a May 16 meeting.

All meetings are at 7:30 p.m. at the Delaware County Historical Society building, 157 E. William St. in Delaware.

SESSIONS IN RICHLAND COUNTY

The Richland County Computer Interest Group met Jan. 15 at the Family History Center for a presentation on the use of compact disks for research. The next meeting of the group was scheduled for Feb. 19 at 7 p.m. at the Mansfield-Richland County Library Community Room.

President's Message

In the November, 1990, Newsletter, I outlined some of your obligations to the Federal Government as a non-profit, tax-exempt organization under 501 (c) (3) of the Internal Revenue Code. This month, I would like to outline some of your obligations to the State of Ohio.

The September, 1988, Newsletter carried an article pointing out that you are required to file an Initial Registration Form (CPR-1) with the Attorney General of the State of Ohio under the Charitable Trust Act. There are fees if your assets exceed $25,000.

If your chapter sells publications or other items, you MUST obtain a Vendor's License from your County Auditor. This entitles you to SELL. You are required to collect sales tax on all sales made within the State of Ohio to instate purchasers except for those organizations that are exempt from the payment of sales taxes by virtue of being non-profit, governmental, etc. You should require proof of exemption from purchasing organizations claiming to be exempt. You do not need to collect sales tax on sales made out of state. If, however, the purchaser comes into the state to make the purchase, you must collect sales tax.

All sales taxes collected must be paid semi-annually. You must make a semi-annual report whether you have any sales during the previous six months or not.

Don't forget to register for the OGS Convention April 25-28.

Jeanne Pramaggiore, President
Ohio Genealogical Society

Ohio Cemeteries

Updating Ohio Cemeteries Files and Related Correspondence

Correspondence relating to Ohio cemeteries is being forwarded from OGS headquarters. Each item is studied, researched when possible, and a response sent as soon as possible. Additions and corrections to both Ohio Cemeteries and the Addendum are filed in the proper county folder. Cemetery-related items are extracted from all OGS Chapter Newsletters exchanged with Wood County. Newspaper articles are sought that tell of rededications, restorations, vandalism, etc.

At the OGS Convention in Toledo, April 26 & 27, the current file box and scrapbooks on Ohio Cemeteries will be available to you. Do bring photocopies of additions you want filed. You will find this Ohio Cemeteries display adjoining the hospitality room, where the Wood County Chapter will be hosting the video presentations on Local History.

Lolita Guthrie, Cemetery Chairman

1880 Census Update

Congratulations to Mary Bowman for completing the 1880 Census Project for Ohio! At the January board meeting, she was given a standing ovation, broad smiles and loud cheers, and a flower arrangement featuring Ohio's state flower -- the red carnation. We will be able to appreciate her dedication even more when we see it in print in about three months.

When you find it, I'm sure that you will find the 1880 Ohio census a most valuable resource.

Thank you, Mary, for a job well done!

Convention 1991

By now, you should have received your Convention Registration forms. A few comments have been made about the number of Computer sessions on the convention program. It needs to be clearly understood that the Thursday Computer classes are a special Computer Interest Group activity that were to be held immediately prior to the Convention for the convenience of those interested in both activities. (See Monitor on page 39) As to the computer sessions scheduled during the actual convention, they were scheduled based on the past interest in using computers in assisting genealogists in their work. In fact, non-computer topics comprise over 2/3 of the program. For every session, computer and other genealogy programs, attendance records will be kept to determine which were of primary interest. These numbers will be gathered and included in the post-convention evaluation by the Convention Committee which will be forwarded to next year's Convention Chairperson.

One of the suggestions from the 1990 convention was a need for Beginners sessions, so we have incorporated that into this year's program. The three Beginners sessions are "Basics and Beginnings", "Branching Out in Your Research", and "Where to Find More Information." These will be held on Friday in consecutive order so beginners can quickly build on their knowledge and perhaps find Saturday sessions more helpful.

We have one correction to the schedule. Mary Bowman will be speaking on "American State Papers" on Saturday at 4:00 p.m.

We have also incorporated more free time into the schedule on Friday afternoon as a result of another suggestion from past conventions. This will allow attendees time to browse exhibits without having to miss any sessions and talk to others attending the convention.

Two last notes on the convention. To maintain expenses and thus limit the registration fees, there will be no Continental Breakfast available in the Hospitality Room. The Hilton provides a delicious and plentiful Breakfast Buffet in their dining room. Also all Convention meals will be non-smoking. Smoking areas are available in the Convention Center and in the hotel.

The Convention Committee is looking forward to welcoming you to Northeast Ohio. See you in April!

1991 Convention Chair

OGS Trip to Ft. Wayne, Indiana

Buses for the Federation of Genealogical Societies 1991 Conference are scheduled to depart Tuesday, August 13, 1991, 9:00 a.m., from the Marietta and Cincinnati areas. The cost is for transportation only, and does not include lunch enroute. See Cleveland below.

From Marietta, with pickup points as needed in Cambridge, Zanesville, Columbus, and Marysville, Ohio: $86.00 round trip.

From Cincinnati, with pickup points as needed in Dayton, Piqua, Sidney, and Lima, Ohio: $62.00 round trip.

A $25.00 deposit is required to hold your reservation, on a first come first serve basis. Maximum of 44 persons on each bus. Send deposit by July 1 to OGS Trip Chair, 6945 Hubbard Dr., Huber Heights, OH 45424-3533. Phone: 513-236-1722.

You make your own hotel reservations. The Hilton Hotel is attached to the convention center and 1-1/2 blocks from the Allen County Public Library. The Holiday Inn is two blocks from the convention center and 3-1/2 blocks from the Library. The Library will have extended hours during the conference. The hotel rates are:

Hilton Hotel at the Convention Center
$67.00 per room. Phone: 219-420-1100

Holiday Inn Downtown
$55.00 per room. Phone: 219-422-5511

To obtain these rates, you must phone these numbers and mention the FGS Conference.

TALK TO YOUR FRIENDS and get a room of friends together. This is a great opportunity to research at Ft. Wayne and attend a top notch National Conference.

To obtain a conference program, write to: 1991 FGS Conference, Attn. Curt Witcher, Conference Chair., 900 Webster St., Box 2270, Ft. Wayne, IN 46801-2270.

On August 14, members from the Cleveland area will depart from 3 pickup points in Cleveland and also from Midway Mall in Elyria. Write for details to Western Reserve Historical Society, 10825 E. Blvd., Cleveland, OH 44106. The fare will be $60-$65; not finalized yet.

The Allen County Public Library will be open until 12:00 midnight on August 14.

COMPUTER GENEALOGY GROUP **MONITOR**

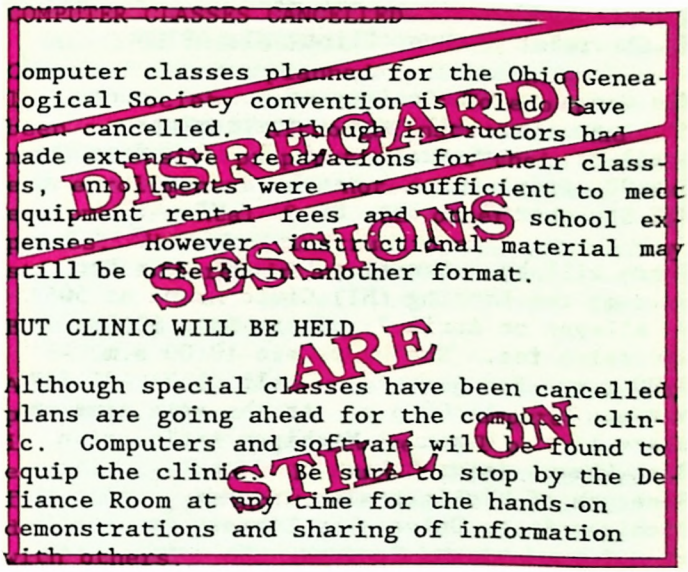

TABLE TOPICS FOR COMGEN LUNCHEON

The luncheon of the Computer Interest Group on Friday at the convention will provide for sharing of information on a variety of computer genealogy topics. Discussion groups will be arranged by tables. The table topics and discussion leaders, announced by Marjorie Kern of Northfield, will include: Roots III - Donald Kern and Carol Reed; PAF - Nancy Turo and Forest Squire; Brothers Keeper - Walter Zimlich; Graphics in Family History - Dr. James Bowman; Newsletters - Jana Broglin and Sunda Peters; PC-File - Harley Barnette; and Bulletin Boards - Harry Liggett.

ZANESVILLE DISTRICT MEETINGS

Meeting dates for the next three months have been announced by Zanesville District COMGEN. Meetings are scheduled for May 11, September 14 and November 9. Meetings are at 1:30 p.m. at the LDS Family History Center, Kearns Rd., Zanesville.

A COMPUTER DOES SPEED THINGS UP A BIT

A message on the National Genealogy Echo provides another good reason for using a computer. The message stated that genealogies contributed on disks submitted to Salt Lake before October 1, 1991, will be at local LDS libraries on CD-ROM about March 1, 1992, while all handwritten submissions will take up to three years to post on the CD-ROM.

Michigan Activities

Those wishing to reserve display spaces for the Michigan Genealogical Society Seminar September 19-21 must do so by April 1. Call Dale A. Ladd at (313) 238-3875 or write 756 N. Chevrolet Avenue, Flint, MI 48504.

The Genealogical Society of Monroe County, Michigan, Inc. will sponsor a seminar on April 13. Registration of $12.00 before (or $14.00 after) April 4 can be sent to them at 721 Strawberry Street, Dundee, MI 48131.

There will be a Genealogy and History Book Fair at the Lansing (MI) Civic Arena at 505 W. Allegan on April 7. There is a $1.00 admission fee. The hours are 10:00 a.m. - 5:00 p.m. For questions, call (517) 485-5576 between 9:30-11:00 p.m. At the same time and place is the biannual Michigan Antiquarian Book Show. James LaLone of Genealogical Research of Michigan also informs us that the Michigan State University Library is usually open Saturdays and Sundays. To confirm its hours call (517) 353-8700.

New York Activity

The 1991 National Conference of Palatines to America will be held June 20-22 in Cobleskill, New York. For conference details, write PAL-AM New York Chapter, c/o Wallace Van Houten, P.O. Box 449, Middleburgh, NY 12122.

California Genealogical Jamboree

This activity will be held April 28 at The Pasadena Center, 300 East Greene Street, Pasadena, California. There is a $5.00 donation and parking is $5.00. For information, call (818) THE-SCGS.

Historic Preservation Conference

Ohio has planned a State Historic Preservation Conference for May 16-18 in Marietta. For a conference brochure, write Historic Preservation: Cities and Villages, Ohio Historic Preservation Office, Ohio Historical Center, 1982 Velma Avenue, Columbus, OH 43211-2497 or call (614) 297-2470.

Chapters Please Note!

The Ohio University's Office of Workshops will be holding a week long workshop in genealogy, "The Great American Ancestor Hunt", during the week of June 23-29, 1991. They would be pleased to place catalogs, handouts, publications, etc. on display as a service to their participants. They are expecting approximately 100 in attendance. If you would like to have materials displayed, they should be received by June 15, 1991. Send to: Pat B. Fraze, Assistant Director, Continuing Education, Conferences and Workshops, Memorial Auditorium, Lower Level, Ohio University, Athens, Ohio 45701-2979.

Genealogy Stamp

Philip M. Ordway, 5205 Elsmere Ave., Bethesda, MD 20814, would like you to lend your support to the campaign for a genealogy stamp. He recently had an item in The Genealogical Helper, Sept.-Oct. 1990, in which he listed his reasons. Check it out at your library.

If you have a design in mind, or if you just think it's a great idea, write to: Citizens' Stamp Advisory Committee, United States Postal Service, 475 L'Enfant Plaza, S.W., Washington, DC 20260-6753. Mr. Ordway would also welcome your comments and suggestions.

Lost and Found

Recently, an 1890 daybook/diary written by Henry Hardy was found in a Dallas, Texas, antique shop. Mr. Hardy was a lawyer in Paulding County, Ohio. If you can prove descent from Henry Hardy, David A. Oglesby, 4005 Sherlin Drive, Chattanooga, TN 37412, would like you to have the diary which was a gift from his Texas cousin.

Mexican War Veterans

The Descendants of Mexican War Veterans is a national lineage society open to men and women. It was organized two years ago. There are several membership categories. If this is your area of interest, send an SASE for information to: DMWV National Office, 1114 Pacific, Richardson, TX 75081.

Recent Acquisitions of the OGS Library

Kay Hudson, Librarian and Tom Neel, Office Manager

Several volumes were pulled from book sale donations for inclusion in the library collection. Specific donors will not be acknowledged. We appreciate the gifts of the duplicate materials sold just as much as these items.

President's Message

At the Board Meeting, March 23, two resignations were accepted regretfully - Dr. H. R. Ritter has resigned as Chairman of the First Families of Ohio. Dr. Ritter has been a long time member of the Board and has worn many hats - he served as President, as Convention Chairman, and FFO Chairman. He will be at the OGS Convention April 26-27th and we will all have an opportunity to thank him personally for his many years of work on FFO.

Mary Bowman submitted her resignation as Chairman of the 1880 Census. Needless to say, there were mixed emotions - we hated to see Mary leave, but were delighted that the 1880 Census indexing project is completed. Mary's recommendation concerning the re-microfilming of the 1880 Census was not to. After reviewing over 75% of the county books at OGS Headquarters, she feels re-microfilming will not improve the quality. Her recommendation was accepted.

Mr. Ed Rebman of the Mansfield Public Library spoke to the Board of the possibility of entering the OGS library catalog on the Richland County Library computer catalog which can be accessible via computer modem. The costs would be covered by a grant. This project will continue to be studied.

Linda Stewart, District Trustee for the Cadiz District, reported that Carroll County is half finished with the Church Record Survey. I hope all counties are started and making similar progress. We hope to have this project completed by the end of the year.

See you at the convention!

Bureau of Land Management Project

In 1989 Congress provided the Eastern States Office of BLM a $1.4 million appropriation for the General Land Office Records Automation Project. The project was designed to put the land records for the Eastern states on CD ROM.

So far, Arkansas, Louisiana, and Florida, have been completed. Michigan and Minnesota are to be completed in 1991 and Wisconsin, Ohio, and Indiana are scheduled for 1992. From 1993 through 1996, Illinois, Iowa, Missouri, Mississippi, Alabama, Miscellaneous Patents, Serialized Patents, Cadastral Plats and Field Notes are being scheduled for completion.

The system is very effective at providing the means of preserving and protecting historic General Land Office records while making electronic images of patents and associated data easily accessible to the public.

Increasing the funding level in fiscal year 1992 by $600,000 would enable the Bureau to provide a fully-operational retrieval system to the public in 1992. Both on-site and remote dial-in access would then be available. Researchers could search records by patentee name for patents in the completed states.

The National Genealogical Society and the Federation of Genealogical Societies as well as OGS members are monitoring the progress of this project and anxiously awaiting access to the retrieval system and the attribute databases.

OGS is sending a letter in support of increased Congressional funding for this project.

In Memoriam

We are sorry to lose as an OGS member, Paul L. White, of Mansfield, who was the foremost living "historian" in Mansfield. He was a former city councilman and county commissioner, and an active worker in all local historical groups. Mr. White died Tuesday, March 12th, of a heart attack.

Gaspe, Quebec, Canada

A "Salute to the Pioneers" of the Gaspe Bay area of Quebec will be held July 16-18, 1991, celebrating the 225+ Anniversary of the arrival of the first English speaking settlers to the area. It will coincide with the annual Wakeham and York Homecoming Festival which will be held from July 12 - July 20, 1991.

For anyone who is tracing the genealogy of families who settled in the Gaspe Bay area of Quebec, this is an event not to be missed. For most information, please send a SASE to Mr. C. Patterson, "Salute to the Pioneers", P.O. Box 68, Norton, VT, USA 05907 or 54 Cutting Street, Coaticook, Quebec, Canada, J1A 2G3. Please mention the name(s) of the Gaspe family or families in which you are interested.

Correction

On page 35 of the March issue, we have the wrong hotel costs. The problem occurred when the hotel apparently changed owners and we received erroneous information. The rates for OGS members should be $35.00 for single or double rooms for Park Place Hotel (a Ramada), 191 Park Avenue West, Mansfield, across the street from OGS. Phone (419) 524-7275.

International Symposium

"Contest for the Old Northwest," an international symposium marking the bicentennial of America's struggle with Great Britain and the Northwest Indians for control of the Northwest Territory, will be held November 1-3. For details, write "Contest...", c/o Fort Meigs State Memorial, P.O. Box 3, Perrysburg, OH 43552-0003.

Lost and Found

Helyn Hatton Collison of Cockeysville, MD sent us the information that a large framed marriage certificate is hanging in a consignment shop called Golden Vein, 408 N. Union Avenue, Havre de Grace, MD 21078. The phone number is (301) 939-9595. The certificate says: "George A. France, Bloomville, Ohio, and Nora Delaplane of Sycamore, Ohio, married in the State of Michigan at Monroe, 13 November 1909." The certificate's cost was $25.00.

Family Historians Searching in SE Ohio Have a Friend in Archeologist Ann Cramer

Friendship is a 2-way street. When Ann Cramer, Archeologist for Wayne National Forest, sought help in identifying burial sites that lie within the Forest, a "share and receive" opportunity glistened.

Wayne National Forest, the only national forest within our state, contains a number of non-contiguous parcels lying in ten counties - Athens, Gallia, Hocking, Jackson, Lawrence, Perry, Pike, Scioto, Vinton, and Washington. As Ann explained, "At the time the early purchases were made, the philosophy of forestry was to clear any areas that had been inhabited - and replant with trees." There has been a complete turnaround in recent years, making it necessary to carry out a complete inventory of each parcel considered, including houses, outbuildings, foundations, dug wells, and burial sites with or without artifacts, such as cut and field stones to mark graves.

Ann is dedicated to her responsibility to protect all burial sites of human remains. She seeks our help in locating and documenting family and community burial sites. Skilled in one science, she sees the potential of two sciences, archeology and geneology, working together. The promised result - family burial plots no longer recognizable will be set aside within the Forest, identified by signs, and protected from logging.

On December 1, 1990, the Guthries traveled from Bowling Green in northwest Ohio to Athens in southeast Ohio, to meet with Ann at the Wayne Forest Headquarters. The Wood County Chapter donated an Adopt-A-Cemetery Notebook, pages from Ohio Cemeteries, and made possible her purchase of A Graveyard Preservation Primer. Ann provided topographical maps of much of the Forest with some known, but undocumented, sites clearly marked.

We visited two sites on this cold, wintry Monday, then returned to check the forestry maps and compare with extractions from Ohio Cemeteries. One site was listed; the second was not. Suggestions were left for Ann to pursue, since the one legible stone could lead to probate record or obituary. Much oral interviewing, with leads by Ann and fellow rangers, needs to be gathered - soon!

Do you have family buried in Wayne National Forest? Study your land descriptions throughout the 1800's and into the early 1900's. Should you find a possibility, and are willing to assist in the necessary research of records, please contact: Ann Cramer, Wayne National Forest Headquarters, Athens, OH 45701. Others from OGS Board offering help include Julie Overton and Teresa Klaiber. Should you, or someone you know, want to help with one or more identifications, please write or phone your cemetery chairman: Lolita Guthrie, 123 N. Grove St., Bowling Green, OH 43402, 419-352-4940.

P.S. The one legible marker was in Ward Township, Hocking County, and read: "Loavina J. CONNOR, died June 5, 1889, aged 38 yrs, 7 mo, 6 days." One resident had remembered at least 7 or 8 markers about 1920-30 surrounded a white picket fence.

Ohio Newspaper Project Update

As we approach the bicentennial of newspaper publishing in the Northwest Territory and Ohio in 1993, it is a good time to reflect on the importance of newspapers in our daily lives. Since the first issue of The Centinel of the North-Western Territory appeared in Cincinnati on November 9, 1793, Ohioans have relied on newspapers to bring the events of the world, from around the block to around the globe, within their reach. Tragically, due to the high acid content of newsprint over the past 130 years, these newspapers are self-destructing.

The Ohio Newspaper Project (ONP), sponsored by the Ohio Historical Society with a grant from the National Endowment for the Humanities (NEH), is preparing a grant request for the third - or preservation microfilm - phase of its operation. Current cataloging efforts, begun in January 1987, so far have sent project librarians to fifty-six counties visiting libraries, historical societies, and newspaper offices that hold files of old papers. From these files, the librarians have identified titles most in need of preservation. Following standardized procedures that carefully monitor the completeness of the newspaper as well as the quality of the processing, the information in these newspapers can be preserved for upwards of 500 years on 35mm microfilm. In cooperation with other microfilming facilities, primarily at state universities, the project hopes to produce 900 rolls of newspaper microfilm across the state.

To conduct this work, NEH requires the project to raise 50% of its grant budget, with the remaining 50% supplied by NEH. The historical society has requested a special appropriation from the state of Ohio for the

one time support of the project's microfilming efforts. Additional matching monies will be sought from the microfilming participants and private sources.

Ancestors for TV

Peggy Lauritzen, of the Mansfield Family History Center, has brought a new television project to our attention.

KBYU-TV and the author of Roots, Alex Haley, are involved in the prime-time series for PBS called Ancestors. The Family History Library in Salt Lake City is providing technical assistance and consultation.

Ancestors will focus on the dramas that result from family history research. It will feature stories and storytellers that bring family history to life.

KBYU-TV is now conducting a nationwide search for such material. Send your interesting stories to: KBYU-TV, BaBette Davidson, Project Director, Ancestors, C-302 HFAC, Brigham Young University, Provo, UT 84602.

Finding Those Extinct Churches

Trying to have an accurate and complete church inventory, Wood County Chapter continues to build a bibliography of sources leading to local church records. One direction is to seek out denominational histories, both local and statewide. Examples include:

Leedy, Roy B. The Evangelical Church in Ohio 1816-1951. Ohio Conference of the Evangelical United Brethren Church, 1959. 850 pp.

Mossing, Lawrence. History of the Diocese of Toledo. Toledo, Ohio. 1983-86, four volumes. (includes much of northwest Ohio).

Wallen, E. G. United Methodism Takes Root in the Black Swamp. Fremont. 1981. (mostly Wood County, Ohio)

With no comparable published work, those seeking - and sharing - information on former Presbyterian Churches in northwest Ohio are asked to write or phone Rev. James Shotwell, 616 W. Main St., Deshler, OH 43516. Working without funding of any kind, Jim has managed to develop a list of both active and dissolved congregations. His research has taken him to the Maumee Valley Presbytery Office in Findlay, the Center of Archival Collections at BGSU in Bowling Green, Wooster College (Ohio Synod) Archives in Wooster, Ohio, and the Presbyterian Archives in Philadelphia. Counties lying in Maumee Valley Presbytery include the following as well as all west and north, extending into the first tier of counties in Michigan: Huron, Crawford, Wyandot, Hardin, Auglaize, and Mercer.

Bill Allman, Route 3, Box 322, Renick, WV 24966, would like to return a Bible to its rightful family.

The first names entered are those of William and Hannah Hamilton. The last entry was the death of Charles Woolverton on 5 Jul 1947. The family may have lived around Huron, Ohio. This information came from the 31 Mar 1991 Sandusky Register.

Linda M. Sante, 2146 Sandpebble Court, Tallahassee, FL 32308-4833, has a postcard photo of Cora Beaulieu of a town called Livermore. If you can prove descent from Cora, contact Linda to receive the photo.

ACKNOWLEDGMENTS
Of Those Who Assisted With The 1880 Ohio Census Project
By Mary L. Bowman, Chair

The individuals listed below are known to have volunteered their services in the completion of the 1880 Ohio Population Schedule. Their contributions are much appreciated and valued for they indeed gave a portion of their lives to make the search for our ancestors an easier task.

It should be noted that a few county chapters did not list all of their volunteers and, therefore, some people deserving recognition are missing from this acknowledgment.

A detailed explanation of services is impractical but some contributors gave of themselves beyond the bounds of expectation and worked, in one form or another, on many counties. They deserve special recognition. An asterisk beside a name indicates exceptional assistance.

To one and all, on behalf of the Ohio Genealogical Society, and for myself, thank you for a job well done!

OGS Trip to Ft. Wayne, Indiana

Buses for the Federation of Genealogical Societies 1991 Conference are scheduled to depart Tuesday, August 13, 1991, 9:00 a.m., from the **Marietta** and **Cincinnati** areas. The cost is for transportation only, and does not include lunch enroute. See Cleveland below.

From Marietta, with pickup points as needed in Cambridge, Zanesville, Columbus, and Marysville, Ohio: $86.00 round trip.

From Cincinnati, with pickup points as needed in Dayton, Piqua, Sidney, and Lima, Ohio: $62.00 round trip.

A $25.00 deposit is required to hold your reservation, on a first come first serve basis. Maximum of 44 persons on each bus. Send deposit by July 1 to OGS Trip Chair, 6945 Hubbard Dr., Huber Heights, OH 45424-3533. Phone: 513-236-1722.

You make your own hotel reservations. The Hilton Hotel is attached to the convention center and 1-1/2 blocks from the Allen County Public Library. The Holiday Inn is two blocks from the convention center and 3-1/2 blocks from the Library. The Library will have extended hours during the conference.

The hotel rates are:

Hilton Hotel at the Convention Center
$67.00 per room. Phone: 219-420-1100

Holiday Inn Downtown
$55.00 per room. Phone: 219-422-5511

To obtain these rates, you must phone these numbers and mention the FGS Conference.

TALK TO YOUR FRIENDS and get a room of friends together. This is a great opportunity to research at Ft. Wayne and attend a top notch National Conference.

To obtain a conference program, write to: 1991 FGS Conference, Attn. Curt Witcher, Conference Chair., 900 Webster St., Box 2270, Ft. Wayne, IN 46801-2270.

On August 14, members from the **Cleveland** area will depart from 3 pickup points in Cleveland and also from Midway Mall in Elyria. Write for details to Western Reserve Historical Society, 10825 E. Blvd., Cleveland, OH 44106. The fare will be $60-$65; not finalized yet.

The Allen County Public Library will be open until 12:00 midnight on August 14.

COMPUTER GENEALOGY GROUP **MONITOR**

THE 1880 CENSUS IN PRINT AND ON DISKETTE

The complete 1880 Ohio census will soon be available in both printed and computer form. American Genealogical Lending Library was awarded a contract earlier to print the census information compiled by O.G.S. chapters. Automated Archives will be given a contract to provide the same information on compressed-data diskettes with the provision that the diskettes are not to be sold individually by county. More information on the projects and the dates they will be completed and available for use will be printed in the newsletter as details become available.

GRANT SOUGHT FOR LIBRARY AUTOMATION

Ed Rebmann, reference supervisor at Mansfield-Richland County Public Library, has been authorized by the O.G.S. board of trustees to file applications for grants to automate the card catalog at the O.G.S. Library in Mansfield. Rebmann gave a presentation on automating the card catalog at the March 23 board meeting. The Mansfield library hopes to set up a cataloging system to tie in all libraries in Richland County including Kingwood Center and Malabar Farm. The libraries would then be on-line with OCLC (the Online Computer Library Center) which is accessible to more than 7,000 libraries. This is a step towards eventually providing dial-in access which means you could dial by modem to the Mansfield Library and search catalogs on-line for all libraries in the county, including O.G.S. The grants hopefully would provide a computer and software needed to get the card catalog automated. Volunteers could be used to enter data.

A UNIQUE YOUNG MAN WITH UNIQUE PROGRAM

Gipsi 2.0 is a software program produced by Research Services, 797 East 5050 South, Ogden, UT 84403. This program makes it possible to sort the government Social Security index and the LDS International Genealogical Index (IGI) in a variety of ways. While the CD-ROM at your Family History Center allows you to convert the material to your genealogy software and allows sorts by name or parents, GIPSI allows you to convert this material to your own database and obtain records sorted by city and county, by children born to a given set of parents, or sort by date.

What makes this program really unique, however, is Michael T. Booth, the developer of GIPSI. While most of us in the genealogy world are "maturing with age," Michael has achieved the ripe age of 17 and is a senior in high school. It is wonderful to see the younger generation leap ahead in technology, but even more thrilling to know that our family heritage research is in such capable hands.

Michael also is in the process of gathering material for a Math/Computer Sterling Scholar portfolio.

Pull-down windows and a simple manual make GIPSI a real plus for the genealogy researcher with limited computer ability. The development of GIPSI took many hours and Michael hopes that users will share his program. But there are benefits in registering with his company. For $25 the user gets the latest upgrade, can personalize his copy of GIPSI and has "Fast Go" options. "Registered users will be notified of new improvements to GIPSI or of the development of new genealogical utilities," Michael states.

I think we should add that this registration fee will be used to further Michael's education. (Submitted by Teresa Klaiber, Zanesville District Trustee.)

COMGEN GROUPS AROUND THE STATE

The May meeting of the Delaware County Genealogical Society Computer Users Group will be Thursday, May 23, at 7:30 p.m. in the Museum Annex, 157 E. William St. The subject will be "WordPerfect 5.1 and Publishing Your Genealogy in Book Form." James Freed Ph.D., the speaker, has published a 1,000-page book on the Mason-White families.

Members of the Richland County Computer Interest Group got a good demonstration of Roots III, PAF and Brother's Keeper genealogy software which was loaded onto computers at Lucas High School for their March meeting.

A BIG HIT FROM BULLETIN BOARD

Curt Gamble of Cincinnati, instructor for the Roots III class at the convention, will tell his students about a big payoff in data he got by logging onto the Go Roots Forum of Compuserve. Gamble obtained a 174K Gedcom file containing 1,000 to 1,500 individuals with the surname Speegle or variations. The file was provided by another Compuserve user from San Diego researching the same surname.

If you have a question, need information or want to help us, please write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254. Tel. 216-724-5808. SASE please.

President's Message

The convention may be over but the raves continue. Everyone seemed to enjoy it -- the sessions, the food, and the hotel. Many, many thanks to Diane Gagel, Chairman, and Jana Broglin, Vice-Chairman, for a very successful convention. Thanks also go to Jim Herzberg, Cheryl Detamore, Ken Foy and the Hancock Co. Chapter for registration; Laura King, Elizabeth Rojewski, Ruth Graf and the Wood Co. Chapter for speakers and support; Linda Timpke and the Lucas Co. Chapter for hospitality; Irene Martin and Donna Christian for exhibits; Jeannine Hardy for door prizes; Dollie Baukus and the Sandusky Co. Chapter for decorations; Bill Oliver for convention program; Woody Trautman for computer; Julie Overton for Ancestors on Parade, and Dr. H. S. Ritter and Tacy Arledge for First Families.

Alice Baker, Delaware County, won the best woman's costume, and Tom Neel, OGS Office Manager, won for the best man's costume, Ancestors on Parade. At the Awards Banquet Friday night, Lora West won the Essay Contest, and Sherri Acord won the arts award. Mary Bowman and Ruth Gram received Fellows of The Ohio Genealogical Society. Richard Smith, Wayne County, won the McCafferty Award. Thanks to Sunda Peters, we had a very successful chapter newsletter competition. The winners are in the editor's column. Congratulations to the Florida Chapter for the special edition on the Ohio men who died during Desert Shield and Desert Storm. For this special edition, the chapter newsletter, edited by Elmer C. Spear, received a special award. Hal V. Miller received a certificate of appreciation for his invaluable computer assistance on the 1880 Census Project.

One-hundred fifty-three were inducted into First Families Saturday night. This was Dr. Ritter's last appearance as Chairman of First Families of Ohio, and he received a standing ovation for his work.

Those who toured the Hayes House Museum and Library not only had an interesting tour of the facilities, but also learned more about a very special part of Ohio history. Thanks to Rebecca Hill and the Sandusky Co. Kinhunters.

Welcome to our new Chairman of the Board, Diane Gagel.

Jeanne Pramaggiore, President
Ohio Genealogical Society

Editor's Message

The winners of the 1990 Ohio Genealogical Society Newsletter Competition were announced at the OGS Convention in Toledo on Friday, April 26, during the Awards Banquet.

Preliminary information about this first competition can be found on pages 170 and 171 of the December 1990 issue of The Ohio Genealogical Society Newsletter. Further information is being added here, as was requested by several people I met at the convention.

Judges for the contest were: Richard Abell, Betty Powell Ambrose, and Julie Overton. All three are OGS Trustees and have had much experience in reading, proofreading, and editing. Each received one-third of the entries, judged them, returned their score sheets to me, and sent their one-third on to the next judge. That way, each judge was not influenced by the scores given or comments made by another. I judged the newsletters of the chapters to which the judges belonged.

Deciding how to divide the 100 OGS Chapters into fairly equal groups is difficult because of the variety in size, location, population, etc. Suggestions for next year's contest should be sent to me at OGS.

Are You Trying to Save An Abandoned Cemetery?

Do you live nearby or at a distance? It does not matter. You can get that burial site listed on the Ohio Historical Inventory (not to be confused with the National Historical Register).

Questions referred to your chairman often carry a familiar tune: "There were still x stones standing in 197x; someone 'oughta' do something." "My gr-gr-grandparents are buried in an abandoned church cemetery and the adjoining farmer won't let anyone cross his land; isn't there a law to make him?", etc.

Please read "'Forgotten' Cemeteries and the Ohio Historic Inventory" by James Murphy in The Report, 29:2 (Summer 1989), pp 97-99. "While most Ohio genealogists are well aware of the Ohio Genealogical Society's Ohio Cemeteries...(and Addendum), it is safe to say that most Ohio archaeologists and historians do not know of the publications. Hence the need to record cemetery location data in the OHI file, where they (ODOT and other government building projects) will be sure to find the information."

After pulling this article from the current Ohio Cemeteries file being maintained by Wood County Chapter, your chairman located Mr. Murphy via phone to learn only one or two had responded to his offer of help in the summer of 1989. He is still willing to help the submitter in determining "UTM reference numbers (using U.S.G.S. topographic maps)..."

This puts the responsibility and fulfillment on you, the researcher and descendant. If you are interested in saving your abandoned burial site and cannot locate the 1989 article above, write for a copy and an Ohio History Inventory form from: Wood County Chapter, OGS, attn: Cemeteries, P.O. Box 722, Bowling Green, OH 43402-0722. A long SASE with up to $1 donation to cover photocopy costs will be appreciated.

Added bonus: For many of us, here is an opportunity to learn to use "topo" maps of an area special to our ancestors.

Lolita Guthrie, Cemetery Chairman

Missing File

Ernest Urban, Vertical File Chairman, reports that the WOLFE vertical file is missing.

Chapter Management Seminar

The OGS sponsored Chapter Management Seminar will be held Saturday, August 3, 1991, in Springfield, Ohio, at the Springfield and Clark County Joint Vocational School, Brinkman Hall, 1901 Selma Road, Springfield, Ohio. Registration is 9:00 a.m. The first session begins at 9:45 and the program ends at 4:00 p.m. Our host is the Dayton District Chapters of Greene, Clark, Miami, Montgomery, Darke, and Preble. The seminar is geared toward elected and appointed leaders, but any chapter member who is interested may attend. There is no fee.

Lunch will be a potluck buffet. Everyone attending should bring a casserole of his/her choosing. But we suggest that persons close to Springfield bring hot dishes, so those coming from farther away can bring cold dishes, which are easier to transport and keep better. If your food needs to be kept cold, bring it in your own cooler. When you arrive at 9:00, bring your food into the building and place it on the food tables. Volunteers will oversee the buffet. Each person should bring his/her own table service.

Topics being planned are: Speaker's Bureau Resource; Cemetery Projects; Managing Chapter Business With A Computer; Constitutions and By-Laws; Chapter Correspondence With Emphasis on Answering Requests for Help; How to Develop, Enlist & Recognize Volunteers; Starting and Maintaining a First Families of Your County; Fund Raisers; How to Do Abstracting and Indexing; Increase Your Local Membership; Services From OGS Headquarters; Chapter Newsletter Workshop; Parliamentary Procedure; Education Project; Nominations and Elections; and Nurturing the Friendship of the Courthouse.

Bring with you your Chapter's Blue Book. The Speaker's Bureau session will be using this resource. Also, bring a few of your recent chapter newsletters. In the Chapter Newsletter Workshop session you will use your own newsletter to evaluate the strengths and weaknesses of your chapter's important link with its members.

Every Chapter president should have received a packet with information about the seminar with maps and a list of accommodations.

We look forward to another productive and interesting seminar and hope to see you there!

Judy J. Bishara, Executive Vice-President

Chapter Announcements Continued

The SUMMIT COUNTY CHAPTER has two publications for sale. Summit County, Ohio, 1880 Census Index has 94 pages in an 8-1/2 x 11 spiral bound soft cover. The cost is $8.00 for Ohio residents and $7.60 for out-of-state or tax-exempt buyers. Saint Bernard's Cemetery Inscriptions and Office Records contains 138 pages, is 8-1/2 x 11 spiral bound, and indexed. St. Bernard's Catholic Church is one of Akron's oldest and the only early German speaking Catholic one. Many tombstones are in German. Also, early (1863) records were in German script. The cost is $12.16 for Ohio residents or $11.50 for others. Shipping is included in the above costs.

Larry H. Ommert, outgoing President of the HURON COUNTY CHAPTER OGS, presented the chapter's first "Presidential Citation" to Henry R. Timman, Norwalk, for his many years of service to the Kinologists, Huron County Chapter OGS, Firelands Historical Society, Ohio Genealogical Society, and to the genealogical community in general. The award was presented at the Fifth Annual Banquet of the chapter, February 25, 1991.

COMPUTER GENEALOGY GROUP **MONITOR**

COMPUTER GENEALOGISTS KEPT BUSY

The stars of the annual OGS convention were all those individuals who came to learn more about computer genealogy, but who also taught all of us a little more about it.

About 80 computer genealogists attended the COMGEN business luncheon. Seminars were filled and the Computer Learning Center was busy all the hours it was open.

Success of the COMGEN features at the convention were the result of the able leadership of COMGEN chair Woody Trautman of Toledo. Arrangements for the computer learning center were handled by Harley Barnette and Bill Lewis. Computer classes on Thursday provided advanced instruction on use of software for genealogy.

National leaders in computer genealogy who helped were George Archer, acting chairman of the National Genealogical Society Compu-ter Interest Group; William Dollarhide, software developer; Brian Harney, treasurer of the KY Genealogical Society and data base analyst, and Jamon Scott of Automated Archives.

COMGEN BOARD ELECTED

Terry Klaiber of New Concord and Sunda Peters of Mansfield have been elected co-chairs of the Computer Genealogy Group of the Ohio Genealogy Society. Both are also trustees of the society. Also elected to the COMGEN board at the business luncheon on April 26 at the OGS convention in Toledo were Harley Barnette of Temperance, MI, membership database; Curt Gamble of Cincinnati, 1992 convention; Marjorie Kern, users groups; Harry Liggett, newsletter; Bob Strock, board and district liaison, and Woody Trautman, past chair.

GIVE US YOUR 29 CENTS WORTH

COMGEN will be just as good as you make it. Please let us know what you liked and what you disliked about the computer programs at the convention. Tell us how COMGEN can help you, what new directions the group might take and how you would like to help.

PUT YOUR FAMILY HISTORY ON COMPACT DISK

Automated Archives of Orem, UT, announced at the OGS convention that if you submit your family history on disk and authorize its use on a CD-ROM to be sold by the company, you will receive a floppy disk of your history completely indexed for search and retrieval along with a free copy of the company's GRS search and retrieval software.

Files may be submitted in any word processor format or ASCII text. Although MS-DOS or Apple format files will be accepted, the in- dexed files returned to the submitter will be MS-DOS readable only. Automated Archives is also considering future programs that will permit printed histories to be received for scanning. For information, call 1 (801) 226-6066 or submit the application to Automated Archives, 1382 W. Center St., Orem, UT 84057.

ANOTHER BBS ON THE WAY

Bill Lewis of Toledo, who presented the online bulletin board demonstration during the OGS convention, said he hopes to start operating his own bulletin board which will be dedicated to genealogy. It will carry message areas, software and research help text files.

USER GROUPS ORGANIZING

A Genealogical Software Users Group is being organized in the Cleveland District. An organization meeting was held May 11 and a June meeting is to be scheduled. For information, contact Tom Orange of Berea 216-261-5038, Forest Squire of North Olmsted 216-779-0916, Bill Kelly of Mantua 216-562-7402 or Marjorie Kern of Northfield at 216-467-5483.

OTHER GROUPS MAY BE FORMED

Interest was shown at the OGS convention in forming user groups for specific genealogy software and for specific types of computers. Among those mentioned were both Apple and MacIntosh computers and software groups including Family Ties and Family Roots. Please let us know if you are interested in helping to organize a user group.

WHERE TO WRITE OR PHONE

If you have a question, need information or want to help, please write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254. Tel. 216-7214-5808.

Council of Ohio Genealogists Names Winners of Annual Book Awards

The Council of Ohio Genealogists, an association of professionals in the field, has named eight authors as the winners of its annual book awards, in recognition of the contributions of their published works to the field of Ohio genealogy. Winners received their award certificates at the Council of Ohio Genealogists Luncheon on April 26, at the Toledo Hilton Hotel. The COG Luncheon is held in conjunction with the annual Ohio Genealogical Society Conference.

The winners for this year and their awards are:

Susan L. Mitchell, Westland, Michigan, received the William H. and Benjamin Harrison Award for a complete genealogy on an Ohio family for her book The Hewitts of Athens County, Ohio.

Aileen M. Long-Lived Books for Lifetime Readers

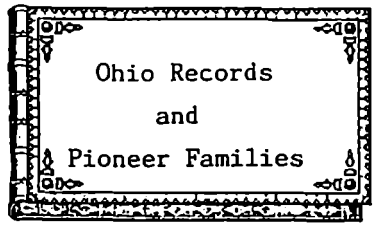
In celebration of the Year of the Lifetime Reader, The Center for the Book in The State Library of Ohio wishes to announce the availability of a program entitled "Long-Lived Books for Lifetime Readers".

The program will be presented by Miriam Kahn, Preservation Consultant for The State Library of Ohio. Lasting approximately forty-five minutes, Ms. Kahn's presentation will deal with the care and handling of books, including how to clean books, how to deal with mold and mildew, how to prevent insect damage, how to handle spills, and how to provide a healthy environment for books. The storage and handling of family records and photographs will also be discussed.

Geared for people with small collections of books, "Long-Lived Books for Lifetime Readers" hopes to reach Friends of the Library groups, book collectors and lovers, genealogical and local history societies and the general public. There is no charge for this program. If you are interested in bringing this presentation to your association, organization or community, please call Miriam Kahn at (800) 686-1533 or Michael Lucas at (800) 686-1532 at the State Library of Ohio.



Ohio Records and Pioneer Families

Ohio Records and Pioneer Families is a genealogical quarterly which was founded by the late Esther Weygandt Powell in 1960. The current editor is William R. M. Houston, M.D. Ohio source materials published in ORPF include Bible records, cemetery inscriptions, tax lists, pioneer families, marriages, deaths, mortality schedules, territorial records, etc. Each volume of ORPF is indexed in the fourth issue. The most recent issue contained items on Greene and Columbiana Co. Bible records, Sandusky and Montgomery Co. cemeteries, Richland Co. history, and Ohio Revolutionary War pension abstracts. The price is just $18.00 per year.

President's Message

My apologies to William Plant for omitting his name in my message last month. William was the winner of the Senior Division in the Essay Contest. Lora West won the Junior Division of the Essay Contest and Sherri Acord won the Art division. Congratulations to all of you and thanks to Tacy Arledge who chaired the Education Committee.

The Board passed a motion to allow non-OGS members, who are chapter members, visiting the library on a pre-arranged chapter visit, to use the library without paying the user's fee.

The Federation of Genealogical Societies conference is in Ft. Wayne, IN, August 15-17, 1991. Be sure to sign up for the OGS bus trips leaving on the 13th and returning on the 18th. The Ft. Wayne Library will have extended hours during the conference. It's a wonderful way to get your research done and not have to drive. Reservations must be made by July 1st. Further information in this Newsletter.

It has been suggested that those chapters who sell Christmas ornaments donate one to OGS for the Christmas Tree at Headquarters. A tree with chapter ornaments would be very beautiful.

Don't forget the Chapter Management Seminar August 3rd in Springfield, OH (Clark Co.). Judy Bishara, Executive Vice-President, has been busy preparing an excellent program. These seminars are designed to help you, chapter officers past, present, and future, to run your organization. Plan to have at least four from your chapter attend so all sessions can be covered.

Jeanne Pramaggiore, President
Ohio Genealogical Society

1920 Federal Population Census

On March 2, 1992, the 1920 federal population census will be opened to the public. At that time, microfilmed copies will be available for research at the National Archives in Washington, DC, the twelve regional archives, and through the National Archives microfilm rental program.

This census consists of 2,074 rolls (35 mm) of population schedules and 8,590 rolls (16 mm) of Soundex indexes for all states.

Ohio's 1920 population census is contained in rolls 1334-1450 (117 rolls). The cost will be $23.00 per roll for a total of $2,691.00. Shipping and handling is included in the cost. The Soundex for Ohio contains 476 rolls and costs $10,948.

Several county chapters have contributed money to OGS for purchase of roll(s) of microfilm covering their counties. We are still encouraging all chapters to do this. They have been listed in this and previous newsletters.

Individual members may participate by sending contributions to: 1920 Census Fund, Ohio Genealogical Society, P.O. Box 2625, Mansfield, OH 44906-0625. We're all looking forward to March 1992!

For additional census information, write: Publication Services (1W1) National Archives, 7th & Pennsylvania Avenue, NW, Washington, DC 20408 or call (202) 501-5240.

Last Chance!

July 1 is the date by which you must sign up for the buses going to the FGS Conference in Ft. Wayne. See details on page 57 of the April or Page 38 of the March OGS Newsletter.

Do you want SIX days of research in Washington, DC, at the DAR Library, the National Arhives, and the Library of Congress? (An optional one day trip to the Virginia State Library and Archives is also available, estimated cost $25.00.) Find a congenial roommate and have a fun-filled rewarding week of research!

The bus will depart from Columbus, Ohio, at 9 A.M., Oct. 20th, and stop to pick up passengers at Cambridge, Ohio. Monday - Nat'l Society DAR Library ($5.00 fee for non-DAR members); Tuesday - Nat'l Archives; Wednesday - Library of Congress; Thursday- Virginia State Archives. Other days - your choice. Library orientations provided.

Price includes round trip bus transportation to Washington, DC, and 7 nights at the Hotel Harrington. Local transportation and meals not included. Estimated Cost: single room $485.00, 2 people to a room $290.00 each person, 3 people to a room $250.00 each person, 4 people to a room $210.00 each person.

Effort will be made to help match up roommates, if requested. Reservations must be made by 1 August 1991, and will be on a first-come, first-serve basis upon receipt of deposit. You must be a member of OGS or of an OGS Chapter. OGS members will be given first priority. A Fifty Dollar ($50.00) deposit is required to hold your reservation. Maximum of 42 people. (Cancellations must be received by 1 September 1991. A $15 cancellation fee will be assessed.)

Phyllis Brown Miller, Chr. and Barbara Reining, Asst. Chr. will lead the trip. Please indicate if you are interested in the separate trip to Virginia. Send deposit and SASE to: Mrs. Barbara Reining, OGS Trip, 4 Grover Court, Grafton, OH 44044. Phone is (216) 458-4495.

Lost and Found

The Grandview Heights Police Department in Franklin County has a gravestone that they would like to return to its proper cemetery location. The stone reads: Father, Robert L. Newsom, Aug. 19, 1880 - Dec. 31, 1941. If you can help them, contact Robert J. Kaising at (614) 488-7901 or 1016 Grandview Avenue, Columbus, OH 43212.

Chapter Management Seminar

The OGS sponsored Chapter Management Seminar will be held Saturday, August 3, 1991, in Springfield, Ohio, at the Springfield and Clark County Joint Vocational School, Brinkman Hall, 1901 Selma Road, Springfield, Ohio. Registration is 9:00 a.m. The first session begins at 9:45 and the program ends at 4:00 p.m. Our host is the Dayton District Chapters of Greene, Clark, Miami, Montgomery, Darke, and Preble. The seminar is geared toward elected and appointed leaders, but any chapter member who is interested may attend. There is no fee.

Lunch will be a potluck buffet. Everyone attending should bring a casserole of his/her choosing. But we suggest that persons close to Springfield bring hot dishes, so those coming from farther away can bring cold dishes, which are easier to transport and keep better. If your food needs to be kept cold, bring it in your own cooler. When you arrive at 9:00, bring your food into the building and place it on the food tables. Volunteers will oversee the buffet. Each person should bring his/her own table service.

Topics being planned are: Speaker's Bureau Resource; Cemetery Projects; Managing Chapter Business With A Computer; Constitutions and By-Laws; Chapter Correspondence With Emphasis on Answering Requests for Help; How to Develop, Enlist & Recognize Volunteers; Starting and Maintaining a First Families of Your County; Fund Raisers; How to Do Abstracting and Indexing; Increase Your Local Membership; Services From OGS Headquarters; Chapter Newsletter Workshop; Parliamentary Procedure; Education Project; Nominations and Elections; and Nurturing the Friendship of the Courthouse.

Bring with you your Chapter's Blue Book. The Speaker's Bureau session will be using this resource. Also, bring a few of your recent chapter newsletters. In the Chapter Newsletter Workshop session you will use your own newsletter to evaluate the strengths and weaknesses of your chapter's important link with its members.

Every Chapter president should have received a packet with information about the seminar with maps and a list of accommodations.

We look forward to another productive and interesting seminar and hope to see you there!

Judy J. Bishara
Executive Vice-President

COMPUTER GENEALOGY GROUP **MONITOR**

STATE SOCIETIES SETTING UP BULLETIN BOARDS

Genealogical computing groups across the U.S. are beginning to set up their own bulletin boards.

The TULSA, OK, Genealogical Society Computer Interest Group BBS is now on-line. The board operates around the clock and features 11 genealogy-related echomail areas. You can call and leave surname cards for families you are researching and they will be placed in files for possible contacts with others. The modem number is 918-234-3617.

The Genealogical Computing Association of Pennsylvania set up its board last month. The modem number is 215-438-2858. The board does not carry the National Genealogy Conference.

ANCESTOR CHARTS ON BULLETIN BOARD

Sometimes great ideas languish for lack of interest. When the Crawford County chapter began organizing ancestor charts of members, Jim Campbell thought it would be great if the charts were available for download from a bulletin board. Campbell started entering the charts on a local bulletin board (the Kookie Board at 419-562-6327), but said there has been little interest. Can you imagine the interest that might be generated if all the charts in the OGS library were available from a bulletin board at Mansfield?

HANCOCK COUNTY GETS BULLETIN BOARD

The newest electronic BBS in Ohio carrying the National Genealogy Conference is the Northwest Ohio Roots BBS operated by Robert Wells of Vanlue in Hancock County. The modem number is 419-387-739. A list of Ohio bulletin boards carrying the conference was published in the October, 1990 issue of the OGS Newsletter.

WHAT DO YOU WANT TO KNOW?

What do you want to know more about? Here is a sampling of comments from 90 who filled out sheets after attending computer sessions at the OGS convention:

- ☐ Any information connecting computers and genealogy.
- ☐ More information on CD-ROM and bulletin boards.
- ☐ Specific help on genealogy software such as PAF, Roots, Family Roots, Brother's Keeper and others.
- ☐ Guidance on purchase of hardware with cost comparisons.
- ☐ Some specific attention to the MAC.
- ☐ A session on databases and templates.

Most sessions produced a few who were both very satisfied and also disappointed listeners. Many said they gained some "know how" or at least motivation, reference tools and contacts.

SEMINAR AT KIRTLAND

The Kirtland branch of the Family History Center, 8751 Kirtland Rd., Kirtland, OH, will have a free Family History Seminar on July 26-27. Classes on computers will be offered in cooperation with the Computer Interest Group of the Cleveland District of OGS.

Friday evening classes will be Introduction to PAF and Introduction to Computers. Saturday classes will include Introduction to PAF, Advanced PAF-Research Data File, Advanced PAF-Submission to Ancestral File, Advanced PAF-Temple Submissions, Roots3 for Beginners, Roots3-Advanced, and Family Search. Classes will begin at 9 a.m. and repeat in the afternoon. Registration is required for the computer classes. Call 216-256-8808.

No registration is required for Family History Seminar classes. Classes will include Introduction to the Kirtland Center, Accessing Salt Lake City and What's New, Western Reserve Historical Society, What to do with Pieces-Book of Remembrance, Census, Naturalization, Passenger Lists, DAR and Lineage Documentation, Cleveland and Cuyahoga County Records, and Ethnic Research.

Persons who have no experience in genealogy should not sign up for computer classes and beginners should attend introductory classes.

DIRECTORY OF LIBRARIES

A new piece of software which may be of interest to some is the "Bates Directory" which is a list of most of the U.S. libraries by state with addresses and phones. Mailing labels and lists can be printed. Cost is $25 from International Features, P.O. Box 1349, Lake Worth, FL 33460 407-5828320. A trial version is available from shareware vendors including PC-Sig and Public Brand Software.

WHERE TO WRITE OR PHONE

If you have a question, need information or want to help us, write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254. Tel. 216-724-5808. SASE appreciated.

COMGEN

COMPUTER GENEALOGY GROUP OF THE OHIO GENEALOGY SOCIETY

Once a year COMGEN will be asking you to answer the following questions. Your answers will be helpful in planning local and statewide activities as well as in providing guidance to beginners for selecting hardware and software. Please return the completed form to Harley Barnette, 2260 Smith Rd., Temperance MI 48182. Call 313-856-1728 if you have any questions.

Annual Report/President's Message

In lieu of a President's Message, the Annual Report of the Office Manager, Tom Neel, follows:

"The Ohio Genealogical Society has grown much in this new decade. Our Executive Director, Anne Dallas Budd, left Mansfield in December. She promoted OGS to the chapters and membership-at-large, and the goodwill she initiated made the organization run smoothly this year in the face of change.

Fiscal responsibility is the name of the game. With increased postage, publishing, and operation costs, it was necessary to increase our membership rate. Since this income category accounts for 80% of our operation budget, other means of income were suggested -- among them, a library users fee to give non-members a responsibility to share the support of the organization. Amazingly, membership is only 35 less than last year with the price increase, 5880 on April 1st. This shows the great strength of the society. With the good showing we had at this convention, it may even be a sign of a growing year.

The library sees 300 plus patrons per month, 1049 books were accessioned this year, and 179 rolls of microfilm were obtained. Volunteers report 532 vertical file items added this year, and 1376 ancestor cards in just one month. The volunteers have been exemplary. We have answered an average 700 pieces of correspondence per month. Our multi-year collection of duplicate books was sold at sale, our manuscript collection was expanded to a room on the second floor, and we are looking forward to the implementation of the Mansfield-Richland Co. Public Library Plan to work with us in the computerization of our library catalogue.

In the office, our temporary membership seasonal worker, Rosemary Bricker, of Shelby was hired permanently as a half-time secretary in January. Our computer address files are being

In Memoriam

Florence B. Dunlap Main, the daughter of Daniel H. Dunlap and Carrie May O'Brien, was born 26 Aug 1905 in Holgate, Henry Co., Ohio, and died 1 Jul 1991 in Mayfield Heights, Cuyahoga Co., Ohio, after an extended illness. Graveside services were conducted by the Rev. LeVon Welty at the Wauseon Union Cemetery (Fulton County) at 2:30 p.m., July 3rd, under the direction of the Edgar-Grisier Funeral Home, Wauseon, Ohio.

Florence was married 30 Oct 1943 to Carl J. Main, son of James Henderson Main and Lyda Shahan, who died 17 May 1966. Mr. Main was a chief engineer at TRW Co., Cleveland, Ohio.

Florence Main retired in 1978 as Genealogical Reference Supervisor at the Western Reserve Historical Society, Cleveland, where she had been a staff member ten years, and a volunteer before that.

She was a Charter Member of The Ohio Genealogical Society, a Fellow of OGS, and the winner of the Jane McCafferty Award for Excellence in 1988. She became a Trustee of OGS in 1979, and had just been elected to another three year term in 1988 when illness forced her resignation.

Florence was the Library Committee Chairman of OGS from 1978 to 1988 and purchased, catalogued and processed all the book and film collection, driving the 100 miles (one-way) from her Cleveland home at least once each week. She was known for taking grocery bags full of books home, hand-typing the catalogue cards there, and returning the items the next week.

Florence Main was active in OGS chapters and related societies in Delaware and Cuyahoga Counties, and she and her husband pioneered the filming of courthouse records in Ohio in their counties of interest. They published Morrow Co. Ohio Marriages 1848 - Feb. 1955; Troy Chapel Methodist Church; Directory of the

Chapter Announcements

A new publication, Oak Grove Cemetery Burials 1860-1920, is now available. These are the burial records and dates of burial, not death. This never-before-published information contains names, date of burial, age, place of death, section, lot, and other miscellaneous information. Cause of death printed if it was an unusual nature. These records are on microfilm at the Washington County Pub. Lib., Marietta, OH, for public use. A 180-page book, perfect bound, archival paper, fully indexed with map of cemetery. Cost is $10.00, plus $1.50 p&h, OH residents add $.65 tax. Order from WASHINGTON COUNTY CHAPTER, OGS.

The STARK COUNTY CHAPTER announces a new publication of the Stark County, Ohio Death Records, 1867-1908. This 555-page, soft-bound book contains 25,000 names arranged alphabetically and contains all information recorded by the Probate Court. The price is $30.03 for residents of OH and $28.50 outside OH. Both prices cover postage and the OH price has Ohio sales tax added. Send orders to chapter address.

The SANDUSKY COUNTY KIN HUNTERS announce the publication of the Sandusky County Wills, Estates, and Guardianships, 1820-1900. Hundreds of hours have been spent preparing this index to create a unique resource for genealogists and local historians. It features an alphabetical listing of each person for whom a will, estate, or guardianship was filed between 1820-1900. Type of records, year of filing of record, case number, explanation of location of records, explanation of county formation with maps is included. Special bonus - all 9 volumes of Sandusky County Chancery records were searched for estate settlements or partition records. There will be a single, limited printing. Price will be $13.55. Please add 6.5% OH sales tax. Send orders to chapter. Late August delivery anticipated.

LORAIN COUNTY CHAPTER has changed its Annual First Families Banquet to Saturday, November 2, 1991. It will be held at Russia Township Hall, 46268 Butternut Ridge Road, Oberlin.

04. Family Reunions

Descendants of John (1806-1889) and Catherine Bennett (1813-1894) Shoaf will meet September 15, 1991 at the Walnut Hill Methodist Church, 975 Rathmell Rd., Columbus, OH. Registration starts at 11:30 a.m., followed by potluck meal at 12:30. John and Catherine Shoaf, along with others, started this church and are buried in the adjacent cemetery. Additions to the building make it a beautiful active church in the area. Little is known about Catherine's family or descendants of John's 4 brothers and 5 sisters, who came to OH from VA in 1812 with their parents, John and Rebecca PLUM SHOAF. Info may be sent to Kathryn Shoaf, 171 S. Ashburton Rd., Columbus, OH 43213. (Phone: 614-235-9490)

Special Announcements

The exhibition "How Can I Find My Family in County Records?" is currently on display at Chester County Historical Society in West Chester, PA. The exhibit, which is drawn from the collection of the Chester County Archives, shows how county records can be used in genealogical research. To make arrangements for group tours, please contact Beverly Sheppard at the Historical Society, (215) 692-4800. The exhibition closes November 9, 1991.

"Don't Want To Be Bothered"

An OGS library patron recently found an unusual entry in the 1875 Harrison County Atlas. In Rumley Township, west of the village of Rumley, the patron found "D.K. Don't want to be bothered" who owned 30 to 40 acres. His neighbors were: J. Smith, D. Simmons, Jane Lyle, J. Manbecksen, George Shambaugh, Susan Nupp, and William Donaldson.

Annual Report/President's Message Continued

updated for 9-digit zip codes, and our programs -- WordPerfect, Dbase, and PC-File have all been upgraded. The special projects begun by Anne Budd are going well. We have $543.19 in the 1920 census fund to make that major purchase next year, and $5,909.31 has been raised for a new reader-printer with zoom lens, positive prints, and plain paper copies. The Bushnell House and library even made Cleveland television this month on a one-tank trip segment.

The Report celebrated its 30th year with participation by our many chapters. All three of our publications take pride in printing articles researched and written by our members. We were sorry to lose a Past-President and former Report Editor, Dr. David J. Massa, who died in November.

This has been quite a year. The Ohio Genealogical Society is growing up and gaining the respect of the genealogical community worldwide. Our members and chapters have made this truly a state genealogical organization."

I would like to thank the staff, all volunteers, and the Board of Trustees for a successful year.

I look forward to seeing you at the Chapter Management Seminar August 3rd in Springfield.

Jeanne Pramaggiore, President, OGS

In Memoriam Continued

William Street Methodist Church (copy); and several Delaware Co. cemeteries including Bokescreek, Fairview, Marlborough, New Millcreek, Old Millcreek and Oller.

Survivors include a brother, Howard L. Dunlap, Adrian, Michigan; a sister, Mae Steinbrook of Florida; and several nieces and nephews. She also left many friends and co-workers who will miss her.

The Ohio Genealogical Society is setting up a memorial fund in her honor to purchase items for the library.

Census Microfilm Wanted Continued

Also, would the person who borrowed the following two rolls without permission please return them as well:

Roll 388 - 1840 - Crawford Co., Ohio
Roll 1186 - 1870 - Crawford Co, Ohio

With these films back, we will again have a complete Ohio census collection, 1820 through 1910.

DIAL ACCESS TO LIBRARIES

The card catalogs of many libraries are now only a phone call away if you have a modem for your computer. Contact your favorite library and ask if it has dial access.

Library computer systems that have dial access also have certain procedures which you must follow to log on. So it is best to contact your library FIRST to learn the log on procedures before using any of the numbers below.

Here are the modem numbers to call, but be sure you know the procedure for logging on:

University of Akron 216-972-7878
For help on procedures, call the Systems office at 216-972-7240.

Bowling Green State University 419-372-6047.
For help, call Systems at 419-372-8664.

Cleveland Public Library 216-623-0623
Log on is easy. Just follow the prompts.

Cleveland State University 523-7550 for 2400 baud 523-7500 for 1200 baud and 216-523-7450 for 300 baud. For help, call 523-687-2583.

Kent State University 216-672-4850
For help, call the Computer Services staff at 216-672-2736.

Ohio State University 614-292-3070.
Unless you are a student or faculty member or are willing to pay $35 a year as a member of the Friends of the Library, access is difficult and the log on procedure is tedious. Call 614-219-6151 or 614-292-6154.

Ohio University 614-593-9124 for 2400 baud 614-593-9112 for 1200 baud, 614-593-9103 for 300 baud. For help, call University Computing and Learning Services at 593-1111.

University of Toledo 419-537-4780 for 2400 baud and 419-537-4401 for 1200 baud. For help, call Computer Services 419-537-2511

Wright State University Fee of $25 per year for individuals. Password required. For application, write COLS Office, 120 University Library, Wright State University, Dayton, OH 45435

Youngstown State 216-742-3486 for 1200 baud. For help, call 742-3676

CONTRIBUTING TO ANCESTRAL FILE

Everyone is invited to contribute family information to Ancestral File, a computerized collection of genealogies of the Family History Library of the Church of Jesus Christ of Latter-day Saints. The computerized collection links individuals into families and pedigrees. There are no deadlines for contributing.

All submissions must be on floppy diskettes in GEDCOM (Genealogical Data Communication) format. GEDCOM is a data standard for genealogical computer programs that provides a means of transferring genealogical data between two programs irrespective of how either program structures its files. Among other programs in addition to Personal Ancestral File that use GEDCOM are Roots III, Everyone's Family Tree (Dollarhide), Family Roots, Family Ties, Family Tree Maker and Brother's Keeper.

For a Family Search guide for contributing information to Ancestral File, visit your local LDS Family History Center or send a SASE to Ancestral File Unit, Family History Department, 50 East North Temple St., Salt Lake City, UT 84150, or call 1-801-240-4874.

GRAPHICS FOR YOUR FAMILY HISTORY

Do you wish you had some computer graphics to illustrate your family history with items like spinning wheels, churns and plows that might have appeared in an inventory of your ancestor's estate? There is an effort beginning to collect such graphics. If you have any to contribute or are interested in the program, write to Richard F. Strait, 7810 Grover St., Omaha, NE 68124-3328 or phone 402-393-2629.

FAMILY ROOTS: A STRONG, FLEXIBLE PROGRAM

Bill and Pat Worden of Midland, MI, were more than disappointed by the lack of coverage at the OGS convention in Toledo of their favorite genealogy program, Family Roots by Quinsept. Family Roots is one of the top genealogical programs. Pat has been using the program for seven years as archivist for the Worden Family Association. She has more than 12,000 records on her hard disk and uses Family Roots along with Appleworks 3.0 to publish a 24-page quarterly for some 200 members of the association.

Family Roots has versions for IBM-compatibles, Macintosh, Apple II and Commodore computers and has GEDCOM capability. Bill is mid-Michigan representative for the software and has formed a user group serving Midland-Bay City-Saginaw area. Ohioans are welcome

to join or correspond with the Wordens at 1201 Glendale St., Midland, MI 48640-4707.

GENEALOGY CONFERENCE BULLETIN BOARDS

The number of electronic bulletin boards in Ohio offering the National Genealogy Conference is increasing. Recent additions are On Demand at Dover in Tuscarawas County and Midnight Express at Fairlawn in Summit County.

On Demand can be reached by a toll-free call by most Tuscarawas County residents. The modem phone numbers are 216-343-7717. Systems operators are John Marstrell and Ray Wilson. The board has a $30 annual fee.

Midnight Express at Fairlawn, a free board, is offering Silver Express to its users. Silver Express is a software program that allows a fast download of messages from the bulletin board and an editor that can be used off-line to read and reply to messages that are then packed up and sent to the BBS. Ryan Potts is systems operator and the modem number is 216-867-8727.

If there is a bulletin board in your local dialing area, you can make a toll-free connection to read more than 150 queries or messages and enter your own. If not, you can make a long distance call, enter your queries and capture messages you can read after you hang up.

Here is our list of bulletin boards in Ohio that carry the National Genealogy Conference. Some have membership fees, but many do not. If you know of others, please let us know. Additions and corrections are appreciated. Listed are the name of the board, the operator and modem phone number:

President's Message

The Board of Trustees meeting was called to order by Diane Gagel, Chairman of the Board, Saturday, July 26, 1991. A new procedure was adopted for the Fellows Committee and nominations were made at the morning session - voting at the afternoon session. Two Board members, Richard Abell and Mary Bowman, were elected as well as three members-at-large - Dale Kellogg, Kay Hudson, and Lorraine Nelson.

Tacy Arledge is the new Chairman of the First Families of Ohio. Dr. H. R. Ritter served in the capacity but resigned at the last board meeting. Many thanks for his many years of service as Chairman of FFO.

Mary Bowman is Chairman of Grants and will present to the Board her needs in order to apply for grants. Bob Cunning has been appointed Chairman of the Building Fund Committee.

The Board voted not to hire an Executive Director this fiscal year and also voted to give a membership to OGS to state 4-H winners.

Florence Main passed away on June 30, 1991. Florence was the long time librarian for OGS. Eight boxes of books and films have been given to OGS by her estate. The Richland County Chapter gave OGS the balance needed for the new printer-reader in memory of their deceased members and relatives of members.

OGS has published an Official Roster of the Soldiers of the State of Ohio in the War With Mexico, 1846-1848 which is now for sale for $25.00, $1.44 tax, and $2.00 p&h. Order from OGS. The 1880 Census is in the printing process by AGLL and may be available at the FGS Conference in Ft. Wayne, IN, August 14-17th. AGLL published and is marketing the 1880 Census; OGS will receive royalties on the sales.

Ohio Genealogical Society

Call For Papers

For the Ohio Genealogical Society Conference, April 24-25, 1992, Kings Island, Ohio. The theme for this conference, "Ohio, The Melting Pot", will be on ethnic groups in Ohio, their early settlements, and available records. Additional sessions will be offered on effective library research and methodology of genealogy, both for beginning research and for the advanced researcher.

All papers should relate to records and research of ethnic groups, library, or the methodology of genealogical research. Please submit an abstract of the proposed presentation; and name, address and telephone number of presenter.

If you know of an interesting presentation that would be appropriate for this conference, please list below with the name of the lecturer, complete address and telephone.

Please send by 10 Sep 1991 to Phyllis Brown Miller, Program Chair, 6945 Hubbard Drive, Huber Heights, OH 45424-3533.

In Memoriam

Nellie Mae Tingley Dent, the daughter of Frank Ray Tingley and Iva Marie Bush, was born 8 Aug 1913 in Mansfield, Richland Co., Ohio, and died Saturday, July 27, 1991 at Mansfield General Hospital, after a brief illness. Mrs. Dent, a retired schoolteacher and the widow of Raymond R. Dent, was buried in the Mansfield Cemetery.

Raymond and Nellie Dent, along with Dr. William R. M. Houston and Louise Krause, initiated a genealogical society over the Christmas-New Year holidays 1954-1955, which grew to become The Ohio Genealogical Society, incorporated in 1959. Besides being a Charter Member, Fellow, and First Families of Ohio, Mrs. Dent ably assisted her husband, Raymond R.

COMPUTER GENEALOGY GROUP **MONITOR**

SOME TIPS ON USING LOCAL BULLETIN BOARDS

Genealogy has entered the electronic age with the growth of home computers. Many people are aware of the programs to record their family information. But there is another use that may not be as well known. If you add a modem to your computer you have access to a world of genealogical conferences.

There is a network of people spread across most of the world exchanging genealogical (and other) information by computer and telephone lines. There are several commercial networks which have genealogical areas, including CompuServe, Genie and Prodigy. They charge for the time you are logged on to them but they may provide answers that are worth the cost.

There is also a volunteer organization called FIDONET. It consists of hundreds of bulletin board operators who pass information between themselves on a number of topics. These topics have been organized into conferences and there are several pertaining to genealogy. Most of these boards provide free service or charge only a small annual fee. You are not charged for the time you are logged on.

If you have never used a bulletin board and are afraid to call long distance, why not try out a local bulletin board and become familiar with it even if it has nothing pertaining to genealogy. You will find it much more economical to familiarize yourself with different local bulletin boards than trying to learn them while on a long distance connection. Local bulletin boards provide information on a variety of topics.

The July issue of the MONITOR listed Ohio bulletin boards that carry the National Genealogy Conference. If there are none in your local calling area, you should be able to find a local board that you can try out even if it does not have genealogy information. Your local computer store should be able to give you a list.

When your modem dials the number and you hear the shrill sound or beep, you are connected. Most bulletin boards will ask you to give your name and phone number and ask you to select a password. You may be asked to register or to provide more information, such as your address. Most boards do not give you full access on the first call. They want to check your name and phone number to be certain you are a legitimate caller.

Be sure to note any particular requirements the first time you log on. There are usually bulletins that provide information about the BBS. Most boards have similar menus for commands such as R for read, B for bulletins, H or ? for help and G or X for logoff. You can select from the menu if you want to check the Message areas or File areas. There are usually a number of messages areas and a number of file areas.

You eventually may want to download files, especially if there are genealogy files available. Since some boards will ask for a download "protocol," you should be able to make a choice that your communications program can support. The main protocols are:

ASCII: Files are sent as normal text files. You can't receive any program files with this.

XMODEM: Files are sent in blocks of 128 bytes and are checked.

YMODEM: Files are sent in longer blocks of up to 1024 bytes with improved checking.

Don't be afraid to ask for help. Most boards allow you to page the Sysop (systems operator) or there is a message section where you can leave a message to the sysop.

If you don't have a modem, you should be able to find one with communications software for less than $75. The important thing is to make certain you buy a 2400 bps modem. The bps stands for bits per second the modem can send or receive. Anything less than 2400 will be too slow for downloading you will want to do.

NEW SOFTWARE FOR GENEALOGICAL RESEARCH

New software programs are being written all the time to improve computer genealogy research. There now is a network on electronic bulletin boards called the Genealogical Software Distribution System to make it easier to obtain new software by downloading it from a local bulletin board. We hope to have a list of Ohio bulletin boards that are participating by the next issue.

One of the newest programs is PAFAbility written by Barbara Bennett, sysop of CPAFUG bulletin board. PAFAbility is an accessory program for users of Personal Ancestral File. It reads the PAF data files to create a Record (modified Register) System descendants' report similar to that used in many printed genealogies. The requested registration fee for the program is $10. The program may also be ordered from the author for $12. Send check or money order to Barbara Bennett, 6426 Pound

Apple Court, Columbia, MD 21045. Specify 5.25-inch or 3.5-inch diskette.

Other recent files being distributed by GSDS include:

CIS.ZIP: A demonstration disk to show how CompuServe's genealogy areas work.

AUTFN2.ZIP: Automates Surname searches via PHONE*FILE on CompuServe.

CRD42S.EX: Bug fixed in Cemetery Research Database Software.

GBBS9107.ZIP (25,216 bytes) A text file of bulletin boards carrying the National Genealogy Conference. The list is compiled regularly by Richard Pence of the NGS BBS.

SCOTGEN4.ZIP (4992 bytes): A text list of Clan genealogists compiled by Robert McLaren.

CIVIL WAR ANCESTORS ON COMPUTER AT PARKS

The National Park Service has joined the ranks of computer genealogy. The Park Service has begun work on a computerized directory of all 3.5 million Civil War soldiers.

Computers are to be installed at all 28 Civil War sites operated by the Park Service in 21 states. Visitors to the parks - about 11 million a year - will be able to check on their Civil War ancestors. Information to be provided will include the name, home state, rank and regiment in which he served. The computers also will provide brief information on 7,000 Civil War regiments and information on many of the 10,500 skirmishes.

Visitors will be encouraged to continue their research by checking records at the National Archives.

The computers will get their first test this fall at Shiloh (TN) National Military Park and Antietam National Battlefield, Sharpsburg, MD.

GOVERNMENT DATA ON DISKS

Disks containing government data can provide good information for computer genealogists.

Ten disks provide data on place names from the U.S. Geological Survey. The files for each state list cities, towns, villages, hamlets and wide spots in the road. Each disk includes several states with one separate text file for each state. Each place name is listed with a code for the state and county, the latitude and longitude, U.S. topographic map quadrangle and other information.

Six other organized text files about 249 countries and political areas, prepared by the State Department or CIA, are available. Data includes geographic area, resources, government, economy and much more.

The disks are available from shareware distributors including Public Brand Software, P.O. Box 51315, Indianapolis, IN 46251, or phone 1-800-426-3475.

HAVE YOU FILLED OUT A QUESTIONNAIRE?

If you have not completed a COMGEN questionnaire, please copy the form from the July newsletter and send it to Harley Barnette, 2260 Smith Rd., Temperance, MI. You should complete a questionnaire even if you have supplied information to COMGEN previously. The new one is needed to update our database.

In an initial check of the questionnaires received so far, Barnette says the biggest "frustration" listed was "not enough time for genealogical research."

There also were complaints that there is not enough information available on using the Macintosh for genealogy, a plea for more classes on Roots III and requests for lists of others using the same software and for information on bulletin boards.

One comment from an out-of-state member was that her state "doesn't seem to have a society like Ohio's."

COMGEN hopes to follow up on your comments and suggestions. The first item on "Tips on using local bulletin boards" is in response to several requests for information noted on questionnaires.

COPY FOR YOUR NEWSLETTER

Editors of chapter newsletters may copy any of the items appearing in the MONITOR section of this newsletter. If your chapter would like some special information on computer genealogy to include in your newsletter, please contact us. In return, we hope you will send us information on any chapter projects involving the use of computers for genealogy.

West Country "Planters" From England to New England, 1620-1643. We are searching for over 3,000 "planters" who came to New England from the counties of Dorset, Somerset, Devon and Cornwall by 1643. We have traced the English ancestries of many of these people. We are also tracing the ancestries of the passengers of the ship, "Mary & John" of 1630. Our ultimate objective is to trace the English ancestries of all of these people. For a list of many of these people and a flyer for our fifteen volumes, send us a list of your West Country ancestors and a large SASE to: Mary & John Clearing House, Dept. Questions and Answers

Question: John Webster married Sarah Wallick 1837 Tuscarawas Co, OH. Understands that an Ohio bride had to be married in her county of residence at this time period. Claire L. Pate Webster, 1703 Hillside Dr., Oak Grove, MO 64075 would like copy of law to confirm this.

Answer: Re. Newkirk/Shipman/Warner query, April OGS Newsletter, pg. 61. Bentleyville, Samuel Twp., Washington Co, PA could be the location of the cemetery. There were early Newkirks in Somerset Twp. and are Abrahams in adjoining Fallowfield Twp. "Warner's" Farm Cemetery is not familiar to me, but there were/are many farm cemeteries in this area. We're still finding them! Can't see a fit with Adams Co, however. Ruth E. Renton, 2616 Lindenwood Dr., Upper St. Clair, PA 15241.

President's Message

The Chapter Management Seminar had well over 100 in attendance. Again, the remarks were enthusiastic. It certainly is gratifying to hear people say they learned a lot and got some good ideas. Thanks to Judy Bishara, Executive Vice-President; Marilyn Thompson, President of the Clark County Chapter; Julie Overton, and all the chapters in the Dayton District for their help.

Ohio was well represented at the largest conference the Federation of Genealogical Societies has ever had at Ft. Wayne, IN, in August. Six of the speakers were from Ohio and most of them are on your Board of Trustees. Most have spoken at Chapter Management Seminars also. The OGS table was very busy with visitors and friends and business was brisk.

The 1880 Census was available at the conference on CD-Rom and the book and microfiche editions will be available in about a month.

Do you have "Chapter of OGS" after your name on your stationery and publications? The Ohio Genealogical Society is one of the largest and best genealogical societies in the U.S. Why not let people know you belong!

Jeanne Pramaggiore, President
Ohio Genealogical Society

Statewide Search Begins For Statehouse Artifacts

We need your help Ohio! Dig out those old photo albums, hunt through your attics and search those crowded storage rooms for artifacts, photographs and information about the appearance of Ohio's Capitol from the 1850's to the 1880's. Researchers are hopeful that such detailed information can be found in private collections, libraries and historical societies throughout the state.

Built between 1839 and 1861, the Ohio Statehouse is considered an internationally important example of Greek Revival architecture. The building is undergoing its first-ever comprehensive restoration since its completion 130 years ago. Historic preservation consultants, Benjamin D. Rickey & Co., along with the architectural firm, Schooley Caldwell Associates, are teamed up with several other special consultants to restore Ohio's Statehouse.

Researchers have found, however, that historical information about the Statehouse is fragmentary and scattered. Some important "finds" have come from individuals who heard or read about the project and discovered photos, documents and event furniture that was sold from the building over the years.

Researchers hope that by publicizing the project, more information can be found. Preservation consultant, Nancy Recchie, said, "We are not asking for donations of photos, documents or furniture -- only the opportunity to copy, photograph or study anything that comes to light."

Ohioans from all corners of the state may have photos or other mementoes from ancestors who held public office in the mid to late 1880's, or who worked in another capacity of the Statehouse, or assisted in the construction of the building. A photo of a legislator might, for example, include views of the Statehouse's interior, enabling researchers to learn about furnishings, decorative paint and light fixtures. Family albums or scrapbooks may yield important information.

Appropriate recognition will be made for the best and most useful information submitted by January 15, 1992. Information received after that date will still be accepted and appreciated.

Please send any Statehouse information to the Restoration Office, Ohio Statehouse, Columbus, Ohio 43215; or call (614) 752-9777.

Lost and Found

The Smith Library of Regional History has been asked to help return a gravestone to its proper cemetery. The stone reads: MOTHER, ADELE _____, 1872-1941. The last name has been defaced, but appears to have had 5 letters. If anyone has information, please contact the Smith Library of Regional History, 15 S. College Ave., Oxford, OH 45056, 513-523-3035.

Newsletter Competition Winners

The 1990 OGS Newsletter Competition winners were announced at the Convention in April. A questionnaire was sent to each group to obtain the information for the following features. Addresses for these chapters can be found on the last page of this newsletter each month.

Ashland County Chapter, OGS

The Ashland County Chapter was chartered in 1970, so they are in their 21st year of OGS membership. Meetings are held at 7:00 p.m. at the Ashland Public Library the third Tuesday of each month, except for December, January, and February.

Currently edited by Rita Kopp, The Pastfinder, their quarterly newsletter, is in its tenth year of publication. Queries are free. The goal is to include information on each of the 15 townships during the year, as well as court records, and information from members.

The chapter has a First Families of Ashland County recognition program. Ancestors must be proven prior to December 31, 1850. The fee is $10.00 and applications are due September 30 of each year.

Current officers are: Ruth Emmons, President; Shirley Boyd, Corresponding Secretary; Mary Lou Fike, Recording Secretary; and Ruth Fockler, Treasurer.

The Ashland Chapter has published research aids for Hanover, Green, Lake, Ruggles, Perry, and Mohican Townships and are currently working on Jackson Township, as well as 1904-1917 obituary abstracts. All of the research aids cover from the beginning of the township to around 1860, contain maps, deed references, tax lists, census, cemeteries, and they are indexed.

For the most effective research in Ashland County one needs to know some special information. Ashland County was not formed until 1846. Before that one should research in Huron County for Ruggles Township; Lorain County for Troy and Sullivan Townships; Wayne County for Lake, Mohican, Perry, and Jackson Townships; and Richland County for Mifflin, Milton, Clearcreek, Orange, Montgomery, Vermillion, Green, and Hanover Townships.

What is unique about this group? They say they are fun and friendly. As you can surmise, they are also hard-working and very knowledgeable about their county.

Athens County Chapter, OGS

The Athens County Chapter, OGS, has been led this year by President Nancy Aiken, Vice Presidents Beverly Schumacher and Sara Green, Cor. Sec. Patricia Green, and Rec. Sec. Dorothy Scarmack.

Located in the Athens County Museum, with which the organization is affiliated, the library contains the best collection available of published and manuscript materials relating to Athens County. They also have a growing collection of business records, church, school, and local government records. The museum is open 1:00 - 4:00 p.m. Wednesday -- Friday and 10:00 a.m. to 4:00 p.m. on Saturday.

There are no paid researchers. All of these competent genealogists volunteer their time. The chapter has a free 30-minute search of materials in their library -- one search for non-members and four for members. Searches in original materials, at OU's Archives, and the Courthouse require a $10.00 per hour fee. In contrast, Ohio University's Archives charges $20.00 per hour for record searches and the courthouse offices charge $10.00 per search.

The Bulletin, the chapter's bi-monthly newsletter associated with the museum and historical society, is edited by Mary L. Bowman. The newsletter includes a variety of genealogical materials, such as newspaper notices of birth, marriage, and death; surname researchers; queries; pre-1900 letters; indexes to local government records; and a variety of other materials.

The church records survey project is being chaired by Mary Bowman. They have started surveying all Catholic and Methodist Churches and an inventory is being made of the Ohio University Archives Collection.

First Families of Athens County was founded in 1983 to honor pioneers residing in Athens County by 1830.

Recently the chapter completed extracting all of the birth records from Probate Court. Three volumes have been computerized and the rest will be completed this year. They are also working on indexing land records. The Athens County Chapter now has over 50 publications to their credit, including marriage, birth, death, census, and estate indexes.

What is unique about this group? They have an outstanding corp of friendly, and extremely

Continued on page 129

knowledgeable and dedicated genealogists, namely, Beverly Schumacher, Rita Levering, Nancy Aiken, Mary L. Bowman, and Patricia Green. They all perform long and hard hours on the First Families committee, do research upon request, and/or publish the numerous books. They all like each other and work well together. They are a unique group.

Fulton County Chapter, OGS

The Fulton County Chapter, OGS, is led this year by President Loretta Mann, Vice President Louetta Miller, Cor. and Rec. Sec. Carolyn Stilwill, and Treasurer Lucille Greiser.

Their library is housed at the Swanton Public Library, 305 Chestnut Street, Swanton. It contains a very good microfilm collection on Fulton County, as well as manuscripts, county histories, family histories and information on surrounding counties. Librarian Elfrieda Jewell will respond to mail inquiries. Donations for help are preferred.

Applicants for First Families of Fulton County must prove the ancestor's residence by the end of 1860.

Fulton County was not formed until 1850, so researchers need to check Williams, Henry, and Lucas Counties. There was no newspaper before 1865. A courthouse fire in 1864 destroyed the first fourteen years of wills, marriages, tax, and land records, so this is a difficult county in which to research.

Their most recent publication has been the two volume Fulton County Cemeteries. They also have a new index to 1976 Fulton County History.

The group's newsletter, Fulton Footprints, is published six times a year. Jana Sloan Broglin is the editor.

The chapter is grateful to members who have contributed to the society their time to prepare items to publish in the newsletter and all publications.

What makes this chapter unique? They are small, but very active.

To be continued next month.

1992 OGS Convention

The Ohio Genealogical Society announces its Annual Meeting and Seminar on April 24, 25 & 26, at the Kings Island Inn, Mason, Ohio.

This year's program theme is "Ohio - The Melting Pot." Program content will focus on the various cultural and ethnic groups that settled Ohio in the late 1700's and after. An opportunity to visit the Museum Center in the historic Union Terminal will be provided as part of the activities of Thursday, April 23, preceding the seminar. The Center is the new home of the Cincinnati Historical Society and the Museum of Natural History, and houses one of only a few Omnimax Theaters in the country.

Jean Nathan, past president of the Hamilton County Chapter of OGS, and the 1992 Annual Meeting chairman, advises that information about registration, reservations and specific program content will be available later this year. Send SASE to Ms. Ellen Imhulse, Registration Chairman, 8818 Monsanto Drive, Cincinnati, OH 45231-4610, after January 1, 1992, to receive information if not on an OGS or OGS Chapter mailing list.

For further information and registration, call the Extended Education office at 614-431-6500.

Completion of Index to Indiana Marriages Through 1850

The Indiana State Library's Genealogy Division has completed its statewide Index to Indiana Marriages Through 1850. It is the culmination of a file which began over 15 years ago. The project, initiated by Dorothy Riker, former editor of The Hoosier Genealogist, began with entries listed in that publication. These listings were expanded through the efforts of the Genealogy Division staff with assistance from volunteers. The file is alphabetically arranged by bride and groom and gives date and county of marriage.

In addition to courthouse listings, index includes marriages appearing in Abstracts of the Records of the Society of Friends in Indiana by Willard Heiss and those noted in St. Francis Xavier Parish Church, Vincennes, which date from 1749.

The following counties are excluded due to the unavailability of records prior to 1850: Clay, Jasper, Madison, Newton, Noble, Starke and part of Sullivan.

The Indiana State Library, 140 North Senate Avenue, Indianapolis, IN 46204 is open weekdays, 8:00-4:30. The Genealogy Division is also open on Saturdays (September thru May only) from 8:30-4:00.

Ohio Department of Health Vital Statistics

The fee for a certified copy of a vital record is $7.00 per copy. The fee for an uncertified copy of a vital record is $1.10 per copy. Uncertified copies are on plain paper with no certification message or embossed state seal.

Please note, as authorized by Ohio Revised Code Section 3705.24(B), an overpayment of two ($2.00) or less will be retained and deposited in the State Treasury. Overpayment in excess of two ($2.00) will be refunded to the person who made the overpayment.

MILITARY INDEX AVAILABLE

A new Military Index is available at Family History Centers -- or will be soon.

The Military Index lists individuals in the United States military service who died or were declared dead in Korea or Vietnam from 1950 to 1975. The Korea index lists those who died in Korea from 1950 to 1957 and the Vietnam index lists those who died from 1957 to 1975. Casualties may have been in Cambodia, Communist China, Laos, North Vietnam, South Vietnam and Thailand.

The index gives birth and death dates, home residence and state, country where the person died, rank, service number and branch of service and other information. The index contains only those who died in the two wars and does not contain information about the spouse, parents, children or birthplace.

FAMILY HISTORY CENTER IN TALLMADGE

The Family History Center of the Akron Stake Branch Library, formerly located in Fairlawn, is now in a new church building at 106 E. Howe Road in Tallmadge. The library is near the Summit County fairgrounds and opposite Weaver School. Going north on the expressway (Route 8), you should exit at Howe Road and follow the fairgrounds signs.

There is more room in the new facility. One large room with subdued lighting is used for microfilm and microfiche readers, another smaller room for microfiche, another for the files of microfilm and microfiche and a computer room. Dr. C. Helen Derby is the library director. Hours are Monday and Wednesday from 10 a.m. to 2 p.m., Tuesday and Wednesday from 6:30 to 9:30 p.m. and Saturday from 9 a.m. to 5 p.m. Telephone: 216-630-3365.

DID YOU GET YOUR INTERIM PAF UPDATE?

The Genealogy Computer User's Group of Greater Cleveland Area has been authorized by the Personal Ancestral File Support Group to provide an interim update of the program for PAF owners (IBM and compatible). The update is only for version 2.2 and not earlier versions. For an update, a PAF owner should send the original three PAF program disks in a disk mailer to Genealogy Computer User's Group, Forest J. Squire, 4819 Columbia Road #201, North Olmsted, OH 44070. You must include return postage and a self-addressed label. There is no other charge. Before sending the original disks, be sure to make a backup copy and remove any write-protect tabs.

Among a number of added features is an option to the pedigree search screen to allow adding family records and the ability to switch between two databases in the pedigree search screen. Mouse support was added to GIE and support for HP Laserjet II/III is included.

The Cleveland group, a COMGEN affiliate, was scheduled to meet Saturday, Sept. 21, from 10 a.m. to noon at the Church of Jesus Christ of Latter-Day Saints building, 501 Rockside Road, Seven Hills. The building is about one block east of Broadview Road.

20 QUESTIONS FOR PAF MACINTOSH USERS

If you are a PAF and MacIntosh user, your help is being asked for research that may lead to a User's Guide to PAF for the MacIntosh Computer. If you are interested, send us a self-addressed stamp envelope for a copy of a questionnaire containing 20 questions on how you use PAF with your MacIntosh. COMGEN is assisting in distributing the questionnaires for the research project being conducted by Gary B. Hoffman of La Jolla, CA. Your questionnaire will be forwarded to him. We will check your answers, too, to see how COMGEN may better serve you.

AN ALTERNATE SOLUTION IN MARIETTA

Marietta now has a Fidonet electronic bulletin board called the Alternate Solution that carries the National Genealogy Conference. Warren Johnson, the sysop, says he is keeping about 1,000 messages in the genealogy message area. The board offers the Qmail program so users can download and read and write replies off line. Johnson says he will soon have about 1 gigabite of storage and two phone lines.

The board soon will be going to a subscription fee of $35 a year, but the genealogy message base will still be free to anyone who just wants to read the echoes. The modem number for Alternate Solution is 614-374-5987. Give it a try and leave a message saying COMGEN sent you.

WHERE TO WRITE OR PHONE

If you have a question, need information or want to help, please write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254. Tel. 216-724-5808. SASE appreciated.

President's Message

Congratulations to the Logan County Genealogical Society. They were accepted as a Chapter of OGS at the Board meeting on September 28, 1991. Welcome aboard!

Jean Nathan, Chairman of the Annual Convention at Kings Island April 24 & 25, 1992, has plans nearly completed. Watch for the program and registration information in the Newsletter.

The OGS tour to Washington, D.C., this month was full with a waiting list. Phyllis Miller and Barbara Reining are in charge and we hope it is a very fruitful week for all.

The resignation of Terri Klaiber, District Trustee for the Zanesville District, was accepted with regrets. Hopefully, she will soon be able to resume her very active role with OGS.

The Board also approved cooperating with other states in the midwest in a Great Lakes Genealogical Conference to be held in August, 1994. Information will be provided as it becomes available.

The Church Record Survey should be completed by June, 1992. Some chapters have already completed theirs and the others are well on their way. Let's make an all-out effort to get this done on time.

The Stitelers reported that 912 ancestor cards were filed in June and July and 1,088 additional cards were received in that same period. Have you used the Ancestor Cards and Charts or submitted yours? OGS members are notified if someone is searching the same names you are.

Jeanne Pramaggiore, President
Ohio Genealogical Society

Newsletter Competition Winners

This is a continuation of information about the 1990 OGS Newsletter Competition winners.

The Montgomery County Chapter, OGS, was chartered in 1974. Meetings are held the third Saturday of each month at 1:30 p.m. in the Dayton-Montgomery County Public Library.

The current officers are Alan Watton, President; Ann Fenley, Vice President; Clarke Wyllie, Corresponding Secretary; Mary Baker, Recording Secretary; and Edna Dutton, Treasurer.

Jeanne Pramaggiore is chairman of the church records survey. The chapter is also working on Harrison Township cemeteries, computerizing its surname list, selling tote bags, doing library research, cataloging early Dayton material for the library, and it is involved in Tiny Tafel.

The most recent publication of the chapter is Odell Directory, a list of early residents and an early history of Dayton up to 1850.

The chapter has a library that is open by request. More information is available at the Dayton Public Library and Wright State University. Most Montgomery County records are on microfilm at the University. Queries are given a short library research by the corresponding secretary and more involved queries are referred to the chapter's researchers. There is no research fee involved.

The First Families of Montgomery County was established about ten years ago. Gene Schumacker is the chairman. Ancestors must be proven to be in Montgomery County by 1830. A $10.00 fee is required.

Announcement

The 1992 National Conference of Palatines to America will be held in Lancaster, PA, on June 18-20 with the theme: "That Elusive Immigrant." For further info, write: Palatines to America, Capital University, Box 101P, Columbus, OH 43209-2394 or call (614) 236-8281.

National Archives Institute

Plan now to attend the July 13-17, 1992 National Institute on Genealogical Research -- a week-long program which focuses on Federal records in the National Archives in the nation's capital. The program is geared to experienced researchers -- genealogists, historians, archivists, librarians. The Institute has a non-discriminatory enrollment policy. Class size is limited to 40 to promote more direct contact between students and lecturers and archivists. Because enrollment is limited, the class fills quickly. Applications will be available in February. To be placed on mailing list for application, write National Institute on Genealogical Research, P.O. Box 14274, Washington, DC 20044-4274.

Newsletter Competition Winners Continued

Ada Weiser Florek edits The Family Tree with the assistance of query editor Phyllis Brown Miller and newspaper abstractor Virginia Davis. Carole Hinders prepares the library acquisitions list and Robert Johnson is responsible for address labels. These people are to be commended for the time spent gathering information and their dedication to putting out the newsletter. They feel rewarded because they are helping others in their research. They also feel rewarded because, in turn, they are being helped when researching other places.

They are an enthusiastic, hard-working group, that is steadily growing. They were proud to work with other groups to bring John Heisey to the Dayton area for the Spring Jamboree.

COMPUTER GENEALOGY GROUP **MONITOR**

GENEALOGICAL PROJECTS REGISTRY

The Genealogy Projects Registry of the National Genealogical Society should become a valuable resource if we all help to make it work.

The registry is designed to make information available on what projects are being worked on, what kind of help project organizers need and when completed projects will be accessible to researchers. One project, for example, is abstracts from the Pittsburgh Gazette being put in a database from microfilm covering the period from about 1786 to 1831. There also are projects from Clermont County, OH, listed.

The registry lists the name and address of the coordinator of each project. One of the national projects listed is a clearing house for Orphan Trains Information which is seeking donations, volunteers and equipment. Coordinator of that project is Mary Ellen Johnson, 4912 Trout Farm Rd., Springdale, AR 72764.

There are not many projects listed yet, but more will be added as they are registered with NGS. Each OGS chapter probably has projects it could list.

Registration will be accepted for projects done either manually or with computer, but will not include individual family research projects due to their limited interest. The registry will include only ongoing projects. As projects are completed the listings will be moved to another database of completed projects.

The Genealogical Projects Registry is now on the NGS bulletin board. By dialing via modem into the bulletin board (703-528-2612) you can learn about on-going genealogical research projects.

If you have a research project you would like to register, send us a SASE and we will send you a form to return to us. We will then forward it to the NGS Registry.

TWO OHIO LINKS FOR SOFTWARE

There are now at least two Ohio bulletin boards tied into the new Genealogical Software Distribution System. The boards exchange genealogy software nationwide, making it possible to download the latest non-commercial utility software.

The Faneuil Hall bulletin board at Gahanna (614-476-3351) is now a member of the GSDS network. Mountain Top at Cincinnati (513-921-5568) also is on the network.

COMPUTER INTEREST GROUPS

Harley Barnette, a member of the COMGEN board, has organized a computer interest group called GENSIG in the Toledo area for users of Brother's Keeper genealogical software. The group meets the third Monday of each month at 7:30 p.m. at Barnette's home, 2260 Smith Road, Temperance, MI. For information, call 313-856-1728. The latest upgrade for Brother's Keeper, version 5.0, is now available.

The Cleveland area Roots III group meets the third Monday of each month at 1:30 p.m. at the home of Donald and Marjorie Kern, 7525 Carter Road, Northfield.

If you have a computer interest group, please let us know so we can add them to our list.

DIAL TOLEDO PUBLIC LIBRARY

The Toledo-Lucas County Public Library is among a growing number that provide free dial-access to their catalog. All you need is a library card and a modem to dial 419-259-5341. Set your modem for 8 bits, no parity and 1 stop bit.

PHONE NUMBERS FOR COMMERCIAL SERVICES.

If there is no bulletin board you can call toll-free to get the National Genealogy echo, there are several commercial services that carry genealogy conferences. Subscribers pay a fee for the time they are on-line. The next issue of Genealogical Computing is scheduled to have a review of all the services. Some have new membership offers. For information, call CompuServe 1-800-848-8990, Genie 1-800-638-9636, Prodigy 1-800-Prodigy, and Q-Link 1-800-827-8444.

WRONG NUMBER

Our list of Ohio bulletin boards carrying the National Genealogy Conference listed an incorrect number for Toledo TBBS. The number is 419-475-6003.

WHERE TO WRITE OR PHONE

If you have a question, need information or want to help us, please write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254. Tel. 216-724-5808. SASE please.

President's Message

The membership renewals are out. If you didn't receive yours, contact OGS headquarters. Have you considered giving a membership in OGS as a Christmas present to family members or friends? A form is provided at the bottom of the Calendar of Events for such a purpose. Why not consider that and send it in along with your renewal.

While you are looking at the Calendar of Events, take note of deadlines for Education Contest to OGS (March 1) and FFO applications to headquarters (March 1). Also, mark your calendars NOW for April 24-25, 1991 - the OGS Conference at Kings Island.

In this Newsletter is a call for nominations for all officers, all 15 District Trustees, and three Trustees-at-Large. Have your nominations in by January 11th to OGS headquarters.

OGS offers Chapters free publicity in the Newsletter. Meeting dates and topics are listed - send yours in by the 1st of the previous month - see Calendar of Events. The Newsletter also publishes any books you have for sale as well as listing all of the Chapters and their addressed on the back. Take advantage of this and send your meeting notices, etc., to the Newsletter.

Jeanne Pramaggiore, President
Ohio Genealogical Society

P. O. Box 2625

For some reason, the post office recently left a packet of letters with the people who now own our old library at 419 W. Third St. and use it as a residence. Postal rules suggest that the post office should return any first class mail to the sender. We were very surprised to discover that over half this mail was from current members and included checks, cash, change of address cards, queries, etc. We moved over three years ago to 34 Sturges Ave. Please send all mail to our P.O. Box 2625, Mansfield, OH 44906 address. Do not send any mail to 419 W. Third St., now a private residence, or to 454 Park Ave. West (our pre-1977 address), which is now Dr. Houston's opthalmologist's office. Thank you!

Attention All OGS Members

The people who lead this organization are vital to its well-being and direction. It is your responsibility as a member to identify, nominate, and, finally, vote for our officers and trustees.

You will find elsewhere in this newsletter a copy of the nomination form which you may copy as many times as you wish.

If you know someone who is currently serving and is doing the job to your satisfaction, please ask them if you could nominate them for another term. If you know of some other OGS member who would be a suitable candidate for a particular office, please ask if you can nominate them for that office. Then, all you have to do is fill out the form, get it signed by the nominee and mail it to arrive in Yellow Springs by January 11.

This is the biggest election we have ever had within OGS and we need your help with this vital project.

If after January 11, 1992, there are vacancies, we, the nominating committee will be seeking names to fill those vacancies, but we would rather have them come from you.

In summary, please take it upon yourself to submit nominations for these important offices. Don't wait for others to do it for you.

Let's all work toward a forward looking OGS., With your help we can do it.

Julie Overton, Chairman
Nominations and Elections

See Chapter addresses on page 172.

Questions and Answers

Answer: Greg Leimeister, a new member from Cuyahoga Falls, OH, responded with an answer to Mary Raudabaugh's question about her ancestor in the April 1991 OGS Newsletter, page 61. Abraham NEWKIRK was buried in Washington County, PA, near what is now the town of Bentleyville. He was buried on the Warner Farm, overlooking the town. This Abraham had a son named Abraham (1764-1840) that was buried in Adams County, OH. Thank you, Greg! According to Julie Overton, Washington was located in Monroe Township, Adams County, Ohio. It was laid out in 1802 and vacated in 1838. It had even been, for a time, the county seat.

Question: Claire L. Pate Webster, 1703 Hillside Drive, Oak Grove, MO 64075, called with this question that we need help answering. John WEBSTER married Sarah WALLICK in 1837 in Tuscarawas County, OH. Did an Ohio bride have to be married in her county of residence at this time period? For what time period was this law in effect? Can you help us answer this question?

Ohio Newspaper Catalog
1991 Microfiche Edition

The Ohio Historical Society announces publication of an expanded and updated microfiche edition of its newspaper catalog.

The new edition records Ohio newspapers held by the Society both on original newsprint and on 35mm service copy microfilm. The previous microfiche edition, published in 1989, recorded only microfilm holdings.

The catalog is printed on five microfiche sheets. Newspapers are listed alphabetically by city of publication and by title within each city. Individual rolls and volumes of a given title are arranged chronologically.

The Ohio Historical Society's holdings include more than 41,000 microfilm rolls, and 20,000 newsprint volumes. Represented in this collection are 2,704 newspapers published in 489 Ohio cities and villages.

The 1991 microfiche edition is available for purchase at $20 prepaid. Sales tax for Ohio residents is $1.15. To order a copy, contact Stephen Gutgesell, Ohio Historical Society, 1982 Velma Avenue, Columbus, OH 43211.

NGS Family History Writing Contest

For details and requirements for the National Genealogical Society Sixth Family History Writing Contest, see the May-June issue of the NGS Newsletter. A booklet, Write Your Family History, available for $5.00 from the society at 4527 Seventeenth Street, North, Arlington, VA 22207-2399, provides helpful information on compiling a manuscript and using the NGS Quarterly numbering system. The deadline for submission of manuscripts is February 1, 1992.

Policy Changes - Board omitted the $100 minimum donation to the Endowment Fund. Any amount is now permissible. The membership renewal letter indicated that Library Fund Donors and new Life Members would be listed in the OGS Newsletter, in addition to the funds which have always been listed previously. The 1920 Census Fund stands at $1,099.23. If we prepay for the Ohio census, we can obtain it for $1,462.50 from our supplier. The order must be placed by Jan. 1, 1992. So, we still need $363.27 to meet our goal. Thanks go to those chapters and individuals who have contributed to this worthy project.

A complimentary copy can be obtained for $2.50 p&h.

Lost and Found

Found at the Wall Nut, 229 Walnut Street, Lakeside, OH 43440, was a framed certificate stating that Helen Anna Kromer, b 7 Apr 1896, was confirmed 15 May 1910 at Ev. Luth. Zions Church, Sandusky, OH. It was signed by Father Theo. ? Stellhorn. Thanks, John D. Rugg, Granville, OH for sending this information.

Found at a flea market near Springfield, OH, was an old photo album with pictures probably taken 1890-1910. Persons identified include: Thurston W. FISHER; Mr. and Mrs. Willis A. GOODEN; Kyle GOODEN; Jennie MUMMEY GOODEN (Zanesville and Marietta); Donald LYONS; Grace, Bertha, and Rose ROSE; Frank, Doris, Ephirem, and Ella O'NEAL MUMMEY; Mary, Heber, George, Sarah, and Martha Jane GLENN MUMMEY TENNENT (McConnelsville). Write Emmett Rouse Wells IV, 437 N. Alpha Bellbrook Road, Beavercreek, OH 45434-6229. He rescued this album and would like to return it to the family for the $12.00 he spent plus postage.

The 1990 OGS Newsletter Competition winners were announced at the convention in April. A questionnaire was sent to each group to obtain the information for the following article. Addresses for these chapters can be found on the last page of this newsletter. This is continued from the September and October issues.

The Michigan Chapter, OGS

The Michigan Chapter, OGS, was chartered in 1990. Officers are inducted in May of even-numbered years. Current officers are: Susan L. Mitchell, President; Kim S. Harrison, Vice President; Janet P. Sikkenga, Corresponding Secretary; Barbara J. Platt, Recording Secretary; and Carol Lee Gibbons, Treasurer.

Membership dues are: $9.00 individual, $12.00 family, and $6.00 for a group.

The chapter publishes The Michigan Connection three times a year, in March, July, and November. Queries, which must be Ohio-related, are free. Submit queries to newsletter editor, Becky Davis, 30500 Springland Dr., Farmington Hills, MI 48334. Virtually all of the material published in the newsletter is Ohio-related and directed toward informing and keeping members abreast of current events, activities, and publications in the genealogical field.

The chapter is not affiliated with one particular library. Their meetings are generally held in public libraries where genealogical materials are available, during the months of January, May, and September. Visitors to Michigan will find the most extensive Ohio collections at the Michigan Library and Historical Center, 717 West Allegan, Lansing, Mi, (517) 373-5505, and Burton Historical Collection Detroit Public (Main) Library, 5201 Woodward Avenue, Detroit, MI (313) 833-1480.

Because it is an out-of-state chapter, they are serving Ohio genealogists by collecting the published obituaries of Michigan residents who were Ohio natives.

The Michigan Chapter, OGS, (MCOGS) is unique because it is an out-of-state chapter and the needs of its members differ from those of an Ohio county chapter. Like its parent organization, The Ohio Genealogical Society, the Michigan Chapter is a statewide group, the goal of which is to assist Michigan residents who are seeking ancestors or researching families throughout the State of Ohio. To this end, their programs and speaker topics focus on Ohio related subjects. For example, one recent guest speaker, Ann Fenley of Dayton, Ohio, gave an informative talk on "The Ohio Open Records Law." At MCOGS Workshops, members and guests share published resources collected from various Ohio counties, as well as genealogical data. The current membership conducts research in 73 of Ohio's 88 counties and are very interested in exchanging newsletters with Ohio county chapters.

The Florida Chapter, OGS

The Florida Chapter, OGS, was chartered in 1984. They hold an annual meeting in different areas of Florida, at which officers are inducted. Watch this newsletter for details.

Membership has grown from about 70 members in 1988 to over 225 currently. Membership costs $7.00 single and $9.00 for joint membership.

Officers for the current year are: Elmer C. Spear, President; Amy Palmer, 1st Vice President; Sue Boxell, 2nd Vice President; Marjorie Boyle, Secretary; and Robert A. Boxell, Treasurer. Claire Heatherington is Immediate Past President.

Elmer C. Spear also serves as editor of The Quest, the chapter's newsletter, which is published quarterly. The newsletter is sent to over 500 addresses and aims to inform members of events in Ohio and Florida, as well as across the nation. They have a "Sharing Library" in their newsletter. In it, members list their books and, if others are looking for someone in that county, the former member will look for that family for the latter member. The newsletter also lists books for sale by other chapters of OGS. Queries are free.

The idea for the Special Edition of their newsletter came to Elmer while he was reading a local obituary from the Persian Gulf War. He honored Ohioans who died during the war, by writing obituaries for each of them. For this, the chapter received a special award at the 1991 OGS Convention.

The chapter is very proud of their first publication, Surname/County Searches of Florida Chapter, OGS, Members 1991. They have an on-going obituary clipping program, in which they scan Florida newspapers for obituaries of Ohio related persons. They then forward the obituaries to The Ohio Genealogical Society Library in Mansfield.

We thank Elmer Spear, the chapter officers and board members, and typist Paula Milner for their hard work and dedication to Ohio genealogy.

East Cuyahoga County Chapter, OGS

The East Cuyahoga County Chapter, OGS, was chartered in 1973. Current membership dues are $7.00 single and $10.00 for joint membership. Officers are inducted in December.

The chapter meets at St. Bartholomew Episcopal Church, 435 S.O.M. Center Road, Mayfield Village, where they have an extensive newsletter exchange collection and a varied collection of genealogical and historical books and periodicals for use of members on meeting nights.

The newsletter, Speaking Relatively, is edited by Sandra Malitz and Paul Glenn. It is published in January, April, July, and October. Queries are free to members and $1.00 for non-members.

Projects of the chapter include a surname index of members and an every-name index of all wills and guardianships in Common Pleas Court records in Cuyahoga County from 1800 teens to 1852.

The chapter has published a reprint of Early History of the Disciples in the Western Reserve by Hayden, 1875, with an index.

For chapter addresses, see the last page of this newsletter.

COMPUTER GENEALOGY GROUP **MONITOR**

THINKING AHEAD TO APRIL

COMGEN is seeking volunteers NOW to work in the computer learning center at the April convention at King's Island. COMGEN members who live in that area who have equipment they can loan or know someone who will loan equipment also should contact COMGEN.

The COMGEN board, meeting at the OGS headquarters in Mansfield on Oct. 20, appointed Sue Corbin as special assistant to Sunda Peters to oversee COMGEN activities at the convention. The board also discussed the role of COMGEN. The board agreed that the basic role of COMGEN is to gather information on concerns and needs from the computer interest groups around the state affiliated with COMGEN and to disseminate that information and recommend action by the OGS board to enhance computer genealogy. The next meeting was set for 1 p.m. Jan. 11 at Mansfield.

READING FOR COMPUTER GENEALOGISTS

COMGEN and the Ohio Genealogical Society captured some valuable attention in the July/August/September issue of the NGS-CIG Digest. Information for a number of items was taken from back issues of the MONITOR.

The Digest is the publication of the National Genealogical Society's Computer Interest Group. Anyone who is a member of NGS can get the publication without charge by requesting it. Carla Ridenour, who operates the Ladder bulletin board in Eugene, OR, is the new editor of the Digest.

Another magazine you can find in your local library if you are lucky is Genealogical Computing. The July/August/September 1991 issue is worth mentioning because it has a list of genealogical software and also a review of Sesame, the new Commsoft database.

Ancestry also has just published a second edition of Computer Genealogy by Richard A. Pence, co-moderator of the National Genealogy Conference. It is a much-needed guide for those groping their way into the world of computers and genealogy. The first edition of Computer Genealogy came out in 1985, only four years after IBM introduced the PC. Since then countless changes have been made in computers and computing. Nearly a third of the book is devoted to introducing the reader to the world of computers. It begins with a basic discussion of the computer, aimed at those who may be buying a computer -- or using it for the first time -- for genealogy. The book goes through the features of MS-DOS machines, Macintoshes, and other types of computers, and offers a chapter on how to pick one for your genealogical use.

The 258-page paperback is available from Ancestry for $12.95 (plus $2.50 shipping and handling). For information on the magazine or the book, write to Ancestry Inc., Box 476, Salt Lake City, UT 84110, 1-800-531-1790.

Another new book is Guide to Selecting Genealogy Software by Donna Przecha and Joan Lowrey. The price is $14.95 plus shipping. Write to Donna Przecha, 105756 Rancho Carmel Dr., San Diego, CA 92128.

PAF UPDATE IS COMING

The Family History Department of PAF is seeking suggestions through various PAF users groups for improvements to the next update of PAF. By the time you read this, it may be too late to submit a suggestion, but you might try contacting Forest J. Squire of the Genealogy Computer User's Group of Cleveland District, 4819 Columbia Rd. #210, North Olmsted, OH 44070, tel. 216-779-0916.

Some items in the PAF improvement list:

1. Change the data base structure to allow for variable length fields.
2. Allow data to be exchanged with Family Search without the use of GEDCOM.
3. GEDCOM to be used only for exchanging data with other software packages.
4. Allow individuals to be linked to more than one family as a child.
5. Allow use of foreign characters.
6. Allow creation of Ancestral File correction submissions.

The list goes on to at least 25 items including one suggestion to allow users to define their own fields.

DIAL ACCESS TO OGS CARD CATALOG IN FUTURE

The card catalog of Mansfield-Richland County Public Library can now be searched by dial-in access. By next year a grant may be available for the library and OGS volunteers to put the OGS Library card catalog on-line with them. Ed Rebmann or Peter Moore at the library (419-521-3100) can answer questions.

WHERE TO WRITE OR CALL

If you have a question, need information or want to help us, please write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254. Tel. 216-724-5808. SASE please.

President's Message

At the Board of Trustees Meeting, November 16th, Diane Gagel, Chairman of the Board asked Mary Bowman to review grant procedures. Steps were taken to institute some of Mary's suggestions.

Tacy Arledge, FFO Chairman, presented clarification of some FFO rules which were adopted by the Board.

Phyllis Miller resigned as Tour Chairman after presenting a check covering the proceeds from previous tours. The Board voted to place this in the Operating Endowment.

Linda Navarre, Membership Chairman, announced that we have exceeded last year's membership - we are growing!

All officers, District Trustees, committee chairpersons, employees, and chapter presidents of OGS have received a letter from Diane Gagel, Chairman of the Board, regarding our annual report. Please read this carefully and submit the requested information no later than January 30, 1992.

Information on the Essay-Art Contest has also been mailed out to all chapters and District Trustees. Please publicize this contest in your area and encourage students in Grades 3-12 to participate.

Jean Nathan, Chairman of the 1992 OGS Conference, had a meeting with the entire committee at King's Island on November 17th. Plans are near completion and the program will be in the January newsletter. Watch for it!

Remember, nominations for all officers, District Trustees, and three Trustees-at-large are due January 15th.

Jeanne Pramaggiore, President
Ohio Genealogical Society

1880 Census Index Now A Reality

At the Board of Trustees Meeting on November 16, Kim Harrison, a regional field representative for the publisher, presented the first copy of the Ohio 1880 Census Index to the Board. It was a proud moment for all of those volunteers who worked months (and some for years) to accomplish this goal.

The project was begun in 1982 on CPM computers. Unfortunately, as computer technology evolved over the past nine years, CPM went out of favor and IBM compatibles with other systems took over. Keeping track of volunteers in all 88 counties and keeping them motivated and on track was an overwhelming task. Eventually, the leadership task was taken on by Mary Bowman, who finished the job.

OGS's "Labor of Love" is now available. The three volume 1880 Ohio Census Index, with over 900,000 entries (8-1/2" thick) has been published by Precision Indexing, P.O. Box 303, Bountiful, UT 84011. Phone 1-800-657-9442. The book costs $395 and microfiche costs $275. Call or write them if you have questions.

Also, the index is available on CD-ROM from Automated Archives, 1160 South State, Suite 250, Orem, UT 84058. Phone 1-800-748-4425. Its cost is $125.10.

ATTENTION

Nominations are due January 15, 1992.

See the November, 1991 Newsletter for details. Please act now.

COMPUTER GENEALOGY GROUP **MONITOR**

AIDING COMGEN AT CONVENTION

Sue Corbin, who will be busy working with computers for the Ohio Genealogical Society convention, had her first computer at home in 1982 even before she got one at the office. That first IBM PC Jr. has since been replaced by a couple of other computers plus those she uses on her job at PPG Industries. Sue's job at the Crestline facility is supervisor of safety, security and environmental control.

Sue will be special assistant to Sunda Peters in setting up COMGEN projects for the convention in April. She has been doing her own genealogical research since she was a teenager, and decided to join O.G.S. a year ago.

"I guess I made every mistake in doing my research that is possible," she said. "I wanted to learn how to do it properly and to contribute."

Some of Sue's surnames are Thomson, Lewis, Clarke and Turner. If you know anything about any of them, write to Sue at 708 N. Columbus St., Galion, OH 44833.

COMGEN, by the way, is looking for volunteers NOW to work in the computer learning center at the April convention at King's Island. COMGEN members who live in that area who have equipment they can loan, or know someone who will loan equipment, should contact COMGEN.

A RESOLUTION FOR A NEW YEAR

If you are looking for a New Year's resolution, how about one to submit your family information to the Ancestral File where it will be retained for future generations. It is cheaper than printing a book and trying to be certain it is kept in some library for the future.

Ancestral file was hitting new highs in the latter part of 1991. Data was being contributed at the rate of one million deceased persons a month. Ancestral File depends on the voluntary contributions of genealogists and genealogical organizations.

To learn how to contribute information, ask your local Family History Center for instructions on "Contributing Information to Ancestral File."

Family History Centers are open to the public There is no fee for use of the facilities.

PROGRAMS FOR ANCESTRAL FILE SUBMISSION

Here is a list of software packages compatible with Ancestral File and the addresses of companies that produce them. Some require an additional utility package to prepare your information for contribution to Ancestral File:

IBMS AND MACS ON SPEAKING TERMS

Those doing family history research probably realize more than others how difficult it can be to exchange information between IBM-compatible and Macintosh computers.

An article in the Wall Street Journal points to some practical solutions. Today every Macintosh comes with a 3.5-inch floppy disk drive that can physically read disks from IBM-compatibles. Newer IBMs have the same size drives.

There are three Macintosh software programs that fool the Mac into recognizing IBM formatted disks. They are Access PC by Insignia Solutions, DOS Mounter by Dayna Communications and Software Bridge/Mac by Argosy Software. There's a new utility program for IBM compatibles that permits them to recognize Mac disks. It is called Mac-to-DOS. Documents can be saved in plain Ascii text and standard database formats.

WHERE TO WRITE OR PHONE

If you have a question, need information or want to help us, write or call Harry Liggett, 544 N. Firestone Blvd., Akron, OH 44301-2254 Tel. 216-724-5808. SASE appreciated.

Missing Relatives

I recently received a letter from Joseph Mosek in Prague, Czechoslovakia. He is seeking our help in locating family members last heard from in 1948. He is looking for his uncle, Joseph Mosek, who was born 10 Mar 1880 in Bohemia. This Josef and his wife moved to Rt. 2, Willoughby, OH in 1907 and had seven children: sons - Ladislav b 1917, Robert b 1922, and Carry b 1924 and daughters - Amalka, Elsa, Libuse, and Viola.

If you can help locate these people, please write Sunda Peters, Editor. See OGS address on the cover.

Found Treasures

1991 OGS Newsletter Competition

Watch next month's newletter for details on the 1991 OGS Newsletter Competition. Because of the amount of space our 1991 Newsletter Index is taking up, we are unable to put it in this issue. Send an SASE for an application blank to enter the competition. Winners from 1990's competition will be ineligible to compete this year.
